DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: July 21, 2009

FROM: <sup>XD</sup>  
KEN GREHM / PETER KRAATZ

SUBJECT: AUBURN FOLSOM ROAD BIKEWAY PROJECT PHASE I - AWARD OF  
CONSTRUCTION CONTRACT NO. 1063

---

## ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chairman of the Board to award and execute the construction contract, after County Counsel and Risk Management review and approval, for the Auburn Folsom Road Bikeway Project Phase I to Teichert Construction, Inc. for \$56,085.55 and authorize the Director of Public Works to approve contract change orders up to an amount of \$10,000.

## BACKGROUND / SUMMARY

Auburn Folsom Road is a primary connector road between the City of Auburn and the City of Folsom via Granite Bay. Ultimately, the Department of Public Works plans to widen the shoulders to accommodate bicyclists from the City/County line south to the intersection of Shirland Tract Road. This first phase of the project starts within the Auburn city limits and runs south approximately 450 feet. The City of Auburn and Placer County jointly requested the discretionary Congestion Mitigation Air Quality (CMAQ) grant for this project and are working collaboratively on the project. The project proposes to widen the shoulder by one (1) to three (3) feet on the west side of the roadway to accommodate a 4-foot bike lane.

## ENVIRONMENTAL

A negative declaration was prepared for this project by the Placer County Department of Public Works pursuant to the California Environmental Quality Act (CEQA). A Notice of Determination was filed with the County Clerk on October 10, 2008. A Categorical Exclusion under the National Environmental Policy Act (NEPA) was approved by Caltrans on September 29, 2008.

## FISCAL IMPACT

The contract price of \$56,085.55 is under the engineer's estimated construction cost for this project of \$139,000. The project is funded through the Federal Congestion Mitigation and Air Quality (CMAQ) Program (88.53%) and Road Funds (11.47%). Funding for construction of the project is included in the 2009/2010 Fiscal Year Budget.
