

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: September 8, 2009
FROM: ^{YD} KEN GREHM / KEVIN ORDWAY
SUBJECT: **ABANDONMENT OF A PORTION OF DONNER SUMMIT ROAD,
NORDEN**

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution to abandon an unused portion of Donner Summit Road right-of-way on one parcel in Norden, and authorize the Chairman to execute two Quitclaim Deeds for unused portions of Donner Summit Road right-of-way on two adjacent parcels.

BACKGROUND / SUMMARY

Valen and Linda Brost, the owners of Assessor's Parcels 069-080-003, 004, and 015 (58501 Donner Summit Road) in Norden, have requested the County abandon 30' of the 80' wide right-of-way on the north side of Donner Summit Road. The applicants are proposing a development on their three parcels, and have requested the abandonment to facilitate their development plan. Donner Summit Road, at this location, is 150' wide and was acquired by the State of California in 1936 for the construction of Highway 40. It was relinquished to the County upon completion of Interstate 80. Donner Summit Road is identified by DPW as only requiring 60' of width; therefore, there is excess right-of-way adjacent to the Brost parcels. The State acquired a Highway Easement on APN 069-080-004, and acquired fee title on APN 096-080-003 and 015. The easement is to be vacated by a Resolution of Abandonment, and the fee title right-of-way conveyed to the Brosts by Quitclaim Deed.

All processing fees have been paid, the proposed abandonment has been distributed for comment and no objections have been received. The proposed abandonment qualifies for Summary Vacation, and therefore, does not require posting or scheduling of a separate public hearing. Government Code Section 25526.5 allows the County to convey this property interest to the applicant without auction as long as its estimated value does not exceed \$25,000.

ENVIRONMENTAL CLEARANCE

This action is categorically exempt from the provisions of CEQA Section 15061(b)(3), no potential to cause significant environmental impact.

FISCAL IMPACT

Fair market value for the right-of-way proposed for abandonment and quitclaim has been appraised at \$7,500 for the Highway Easement and \$16,700 for the two fee title strips, which, upon approval, will be deposited in the DPW account for future right-of-way purchases.
