**TO:** Honorable Board of Supervisors

**FROM:** Richard J. Burton M.D., M.P.H.  
Placer County Health Officer and Director of Health and Human Services  
Maureen F. Bauman, Director of Adult System of Care

**DATE:** January 12, 2010

**SUBJECT:** Recovery Act Justice Assistance Grant Application for Substance Abuse Offender Treatment Program

---

---

**ACTION REQUESTED:**

The Board is requested to take the following actions:

- a. Approve the submission to the California Emergency Management Agency (Cal EMA) of a Justice Assistance Grant application for operation of a Substance Abuse Offender Treatment Program estimated to be \$448,629, and
- b. Sign the required Certification of Assurance, and
- c. Authorize the Director of Health and Human Services to accept the grant, if awarded, and to sign all resulting contracts, certifications, amendments, or revisions to the same.

This grant is fully funded through the American Recovery and Reinvestment Act of 2009. No County General Fund contribution is required.

**BACKGROUND:**

The State budget for FY 2009-10 eliminated Proposition 36 funding for substance abuse treatment for eligible Placer County residents. Placer County had been serving 300 residents each year with substance abuse treatment services, case management, and supervision. This program realized very successful treatment completion numbers that put Placer County among the top 15 percent in the State.

Adult System of Care has been given the opportunity through Cal EMA to receive one-time Justice Assistance Grant funds under the American Recovery and Reinvestment Act of 2009 in order to provide substance abuse treatment for non-violent offenders sentenced under Penal Code 1210 (formerly Proposition 36). Once awarded, Placer County is expected to receive a minimum of \$448,629. These funds may be used between October 1, 2009 and March 31, 2011.

This program includes substance abuse treatment services delivered through County-operated services and community providers, and is projected to serve 250 Placer County residents.

**FISCAL IMPACT:**

This State grant is funded with 100 percent Federal American Reinvestment and Recovery Act Justice Assistance Grant funds. No County General Fund contribution is required.

The grant application and required certifications are on file with the Clerk of the Board for review.
