**BACKGROUND**

Annually, the Sheriff's Department submits an application to the State Department of Boating and Waterways to support our boating safety enforcement program. The total cost of the program includes State funding in the maximum amount of \$72,475 and County boat taxes estimated in the amount of \$190,000, for a total program cost of \$262,475. During the summer months, the department runs a full-time program at Lake Tahoe and part time at Folsom Lake, Rollins Lake, Camp Far West, Lake Clementine and other smaller lakes in the area. Your Board's approval of the attached contract and authorization for the Sheriff to execute the agreement and related documents is requested and required by the State to receive these monies and participate in this program.

**FISCAL IMPACT**

This program is funded totally with boat taxes of \$190,000 and the allocation from the Department of Boating and Waterways of \$72,475 for a total program amount for FY 2010/2011 of \$262,475. Payments made by the State occur only after the County boat taxes have been expended. No other County monies are involved beyond the boat taxes collected. There is no impact to the General Fund.
