Dear Ms. Schwab:

This firm represents Livingston's Concrete Service, Inc. ("Livingston's") in matters relating to the permitting of its proposed concrete batch plant in an industrially zoned area of Placer County ("Project"). We have received a copy of the Appeal filed on February 18, 2010 and have been apprised that the Board of Supervisors hearing on the above appeal has been schedule for August 24, 2010.

This confirms that Livingston's consents to the date of the Appeal hearing which has been scheduled on August 24, 2010. Please advise if you require anything further from us.

Very truly yours,

Diane Kindermann Henderson
