

MEMORANDUM
OFFICE OF THE
BOARD OF SUPERVISORS
COUNTY OF PLACER

TO: Honorable Board of Supervisors

FROM: Jennifer Montgomery, Supervisor District 5

DATE: May 18, 2010

SUBJECT: Committee and Commissions – North Lake Tahoe Resort Association Infrastructure Committee – Approve the appointments of Patrick Perkins, John Pang and Curtis Aaron. Approve the reappointments of Keith Vogt and Guy Perman as requested by Supervisor Montgomery

ACTION REQUESTED

Approve the appointments of Patrick Perkins, John Pang and Curtis Aaron. Approve the reappointments of Keith Vogt and Guy Perman as requested by Supervisor Montgomery

BACKGROUND:

In 1996 voters in Eastern Placer County approved a two percent increase in the Transient Occupancy Tax (TOT), which could fund focused infrastructure, transportation, visitor services and marketing improvements in that area. To administer these programs, Placer County has entered into an annual agreement with the North Lake Tahoe Resort Association. The agreement requires that the Resort Association maintain various committees in an effort to inform and receive input from the public at large. It further states that the Infrastructure Committee, which advises the Resort Association Board of Directors on expenditures for development and maintenance of tourism and resident-serving capital projects, be composed of 12 members. Of the 12 members, the committee is composed of six members appointed by the Board of Supervisors, and six members appointed by the Resort Association Board. The committee meets the last Monday prior to the first Wednesday of the month at 1:30 p.m., at the Tahoe City Public Utility District Board room.

WORK HISTORY

7/06 - current SENIOR PROJECT ENGINEER - HARRIS & ASSOCIATES

Responsible for running the Harris & Associates Tahoe City office. Duties include working with local government agencies to provide solutions and assistance for their civil engineering related needs. Typical services include providing project management, utility infrastructure and roadway design, construction inspection, obtaining grants, representing clients on construction projects, and working with contractors on behalf of clients. Currently working with the North Tahoe Public Utility District (NTPUD) and Placer County reviewing storm water bypass plans on three projects to minimize impacts to district infrastructure. Worked on design of new sewer lines and manholes for the NTPUD in conjunction with Placer County design consultants on erosion control projects.

Provided staff augmentation services for the city of South Lake Tahoe as the City Engineer and Assistant City Engineer. Oversaw an engineering and inspection staff of up to seven people. Resident Engineer for a multi-million dollar erosion control project, and utility infrastructure installation project. Provided daily coordination with inspectors on multiple ongoing construction projects. Responsible for project budgets. Met with funding entities, and regulatory agencies on status of various environmental improvement projects, and coordinated with TRPA & CTC on project funding distribution. Coordinated with Caltrans District 3 on funding and design of various projects including highway 50 renovations, bike trail installations, signal improvements, and roundabout designs. Designed pedestrian crossings, and conceptual plans for streetscapes. Responsible for obtaining grant funds and designing site improvements for the El Dorado Beach Boat Launch Facility. Obtained regulatory permits for various projects.

Assisted Placer County by providing project management and inspection for a seven-bay, 12,000 square foot vehicle maintenance building project in Truckee, CA. Responsible for tracking project progress, coordinating all RFI's and submittals, approving and processing pay applications, documenting meetings with the contractor, and performing inspections.

Worked for the city of Reno and the city of Las Vegas providing bidability and buildability analysis on projects including sewer line replacements, road rehabilitation, a transportation center, detention basins, bike trails and park construction. Provided base specifications and design for park restrooms.

Assisted the city of Yorba Linda in delineating pavement restoration areas, for their pavement rehabilitation program. Designed parking lot rehabilitation projects for the city of Yorba Linda.

Assisted San Diego County with design of a storm drain system in a design/build stormdrain replacement project. Assisted in the design of bike paths in the city of Palm Desert.

7/01 to 7/06 SENIOR CIVIL ENGINEER - TOWN OF TRUCKEE ENGINEERING DIVISION

Provided oversight of eight engineering staff members, and oversight of division projects, including all commercial, utility, industrial and residential infrastructure construction. Completed budget for the division and prepared the capital improvement program, including identification of funding sources for infrastructure projects. Made public presentations including televised presentations to the Town of Truckee Planning Commission and Town Council. Worked with planning and building departments setting project conditions for proposed projects. Coordinated with public works maintenance division. Responsible for obtaining grant funds for projects. Responsible for plan checks on all infrastructure projects including review of hydrology, geotechnical, grading, and roadway designs. Wrote the Town of Truckee's engineering standards and specifications. Established guidelines for BMP's on residential and commercial projects. Co-authored the Town of Truckee's Pavement Management Program. Prepared paving and slurry plans and specifications. Worked with consultants on plans for bike trail projects, creek restoration project and bridge replacement project. Prepared plans for 2006 Flood Damage Repair Project. Assisted in construction of I-80-Hwy 89 Roundabout Project.

6/96 to 7/2001 ASSOCIATE CIVIL ENGINEER-PLACER COUNTY DEPARTMENT OF PUBLIC WORKS

Represented Placer County at public meetings. Interacted with the public on a daily basis. Responsible for running the public works administration office for the eastern half of Placer County. Job responsibilities include office oversight, construction oversight of all commercial, residential infrastructure, and county construction projects from Donner Summit to Nevada. Coordinated with the Road Division, Building and Planning Departments, and utility districts. Reviewed and issued grading permits. Coordinated, reviewed and issued encroachment permits. Tracked expenditures for multiple projects. Resident Engineer on multiple construction projects including urban retrofit, erosion control projects, and 1997 flood damage repairs. Reviewed and managed consultant's design work and contracts. Coordination with various regulatory agencies.

4/94 to 6/96 ASSISTANT CIVIL ENGINEER - PLACER COUNTY DEPARTMENT OF PUBLIC WORKS

Worked in the land development section reviewing improvement plans for public and private projects. Responsible for review of hydraulic calculations, earthwork, retaining walls, hydrology, subdivision design, and conformance with County design guidelines. Worked directly with numerous design consulting firms.

4/92 to 4/94 ASSISTANT CIVIL ENGINEER - NEVADA COUNTY DEPARTMENT OF SANITATION

Worked as project engineer on design of sewage collection system and treatment plant for an existing subdivision. Determined upgrades at existing wastewater treatment facility. Designed roadways and drainage facilities.

CIVIL SERVICE

Awarded \$500,000 - California Boating & Waterways Grant for the El Dorado Beach Boat Launch
Awarded \$ 1,500,000 - Proposition 50 grant for Trout Creek Restoration and Town Drainage Projects
Awarded \$400,000 - Riparian and Riverine grant for Trout Creek Restoration Project
Awarded \$300,000 - California State Parks grant for the Trout Creek Restoration Project
Nominated for the 1998 Public Works Public Service award.
Awarded Town of Truckee achievement award in the winter of 2002 and the of summer 2005
