

**MEMORANDUM
COUNTY OF PLACER
DEPARTMENT OF ADMINISTRATIVE SERVICES
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors

FROM: Jim Boggan, Purchasing Manager *JB*

DATE: June 22, 2010

SUBJECT: Approve a One-Year Renewal of Competitively-Awarded Qualified Lists for Public Works Consulting Services for Eastern Placer County

ACTION REQUESTED

Approve a one-year renewal of four lists of qualified firms for Public Works Consulting Services for Eastern Placer County resulting from competitive Request for Qualifications (RFQ) No. 9643.

BACKGROUND

On May 22, 2007, your Board approved four lists of qualified firms that were developed from responses to a formal RFQ process. The Department of Public Works uses these firms for consulting services for various projects in Eastern Placer County throughout the year. The RFQ stipulated that the qualified lists would be valid for three years; however, although not stated in this RFQ, RFQs typically include an option to extend the life of the list for two additional one-year periods. The qualified lists expired on May 22, 2010, and Public Works has requested to renew the lists for an additional one-year period. With your Board's approval, the qualified lists will be extended through June 30, 2011.

The lists of qualified firms are attached.

FISCAL IMPACT

There is no immediate fiscal impact resulting from this recommendation. Public Works will contract with selected firms as required and the resulting expenditures will be funded from the department's existing budget. Contracts of less than \$50,000.00 may be executed by the Purchasing Manager. Contracts of \$50,000.00 or more will require your Board's approval prior to execution.
