

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: June 22, 2010

FROM: ^{XD}KEN GREHM / PETER KRAATZ

SUBJECT: **REJECT ALL BIDS RECEIVED FOR THE DONNER PASS ROAD STABILIZATION PROJECT UNDER CONSTRUCTION CONTRACT NO. 1072 AND RE-ADVERTISE UNDER NEW CONSTRUCTION CONTRACT NO. 1099**

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution rejecting all bids received for the Donner Pass Road Stabilization Project under Construction Contract No. 1072 and authorize the Department of Public Works to re-advertise for bids under Construction Contract No. 1099.

BACKGROUND / SUMMARY

The Donner Pass Road Stabilization Project is located off old Highway 40 near Donner Summit approximately five miles west of Truckee, California. The proposed construction will improve existing roadside drainage facilities and provide treatment for storm water runoff within the project limits. Proposed improvements include revegetating the existing roadway shoulders, installation of rock walls, rock-lined channels to convey storm water runoff, and installation of a small sediment basin to provide treatment of storm water runoff.

Bids were opened on May 26, 2010. Five (5) bids were received. The Engineers Estimate was \$474,098 and the low bid was \$564,006. Due to the high cost of the bids, it is recommended that all bids be rejected under Construction Contract No. 1072 and the project be re-advertised for bids under Construction Contract No. 1099, after some modifications are made to the proposed project to keep the project within budget.

ENVIRONMENTAL

This project is categorically exempt from the provisions of CEQA under the following sections: Section 15307, Class 7; Section 15308, Class 8; and Section 15301(c), Class 1. A Notice of Exemption was posted with the County Clerk on November 7, 2007.

FISCAL IMPACT

The total project cost is estimated to be \$600,000. Construction costs estimated at \$480,000. The project is fully funded through a combination of an erosion control grant from the Sierra Nevada Conservancy in the amount of \$500,000; lease revenue from the California Tahoe Conservancy in the amount of \$50,000; Placer County Traffic Mitigation Fees in the amount of \$35,000, specifically Placer East Benefit District. Funding for the construction of this project is included in the 2009-10 and 2010-11 Fiscal Years Budgets.
