ACTION REQUESTED

Approve a Resolution authorizing the execution of a Service Provider Subgrant from the Golden Sierra Job Training Agency in the amount of \$18,828 to provide Layoff Aversion Services to Businesses in Placer County during Fiscal Year 2010-2011, and Authorize the County Executive Officer to execute any related documents or contracts.

BACKGROUND

The Golden Sierra Job Training Agency (Golden Sierra) has awarded \$18,828 in federal Rapid Response funding to Placer County. "Vital Assets" funding will provide business assistance, layoff aversion, and employee retention services from July 1, 2010 to June 30, 2011. Golden Sierra has set aside \$18,828 in a Service Provider Subgrant for the Placer County Office of Economic Development and the Business Advantage Network (BAN). This funding, set at 30% of the total anticipated allocation of \$62,760, will be used to prevent an interruption of services from the previous grant awarded in 2009/2010 until final funding notification is received by Golden Sierra from the California Employment Development Department. At that time, a modified contract will be submitted to the Board of Supervisors for review and approval. This Workforce Investment Act (WIA) U.S. Department of Labor funding will be used to maintain and establish relationships with businesses in the region by providing:

Layoff Aversion Services - by developing action plans to identify and assist employers at risk of layoff due to competitive factors and establishing partnerships to gather information on modified workforce needs due to changes in the regional/local economy;

Innovation - supporting innovative efforts to expand or redesign local Rapid Response systems to become more responsive to local businesses;
