**ACTION REQUESTED**

Approve a resolution amending Resolution #2007-394 adding a Healthcare Industry Representative seat increasing the Economic Development Board from 13 to 14 members.

**BACKGROUND**

The Placer County Economic Development Board was established by in 1991 by Resolution #91-69 and subsequently amended by the following Resolutions #93-280 and #97-166. This Board was reorganized in 2007 whereby Resolution #07-394 superseded all previous Resolutions.

The Placer County Economic Development Board (PCEDB) includes members representing the Board of Supervisors, one from District 2 and one from District 5 and six representatives, one from each of the six incorporated cities and/or towns appointed by their respective councils; and five representatives, one from agriculture, education, manufacturing, tourism and utilities.

Pursuant to the by-laws, future selection of members was to be guided by County Economic Development Strategy and confirmed by the Placer County Board of Supervisors. On March 1, 2010, the PCEDB adopted the Placer County Economic Development Board Roadmap (Roadmap). The Roadmap recommended adding a healthcare seat to the PCEDB because of the industry's importance to the current economy and future growth of Placer County.

On June 17, 2010 the PCEDB took action and voted unanimously to add a healthcare industry seat and form a committee to recruit a healthcare industry representative to serve on the PCEDB. Before that recruitment can take place, Resolution #2007-394 needs to be amended to increase the Board from 13 to 14 seats.
