

**MEMORANDUM  
DEPARTMENT OF FACILITY SERVICES  
COUNTY OF PLACER**

To: **BOARD OF SUPERVISORS** Date: **AUGUST 24, 2010**

From: **JAMES DURFEE / WILL DICKINSON** 

Subject: **PROJECT 40235, 2009/10 TRENCHLESS TECHNOLOGY SEWER  
REHABILITATION, NOTICE OF COMPLETION**

**ACTION REQUESTED / RECOMMENDATION:** Adopt the attached Resolution accepting Project 40235, Trenchless Technology Sewer Rehabilitation, as complete, and authorize the Director of Facility Services to execute and record the attached Notice of Completion.

**BACKGROUND:** On July 21, 2009, your Board approved Plans and Specifications, authorized staff to solicit bids and authorized the Director of Facility Services to execute a contract for rehabilitation of sewer pipes in Sewer Maintenance District 1 (SMD 1) and Sewer Maintenance District 2 (SMD 2). This project consisted of re-lining 3,866 linear feet (LF) of deteriorating sewer pipe in SMD 1 (LF) and 1,193 LF of pipe in SMD 2. This rehabilitation project will greatly reduce the amount of groundwater infiltration into these sewer pipes.

A contract in the amount of \$212,515.50 with the low bidder, Veolia ES Industrial Services, Inc., (doing business as J.F. Pacific Liners) was executed on October 22, 2009. The project work began on December 3, 2009. J. F. Pacific Liners completed the project work on January 25, 2010, with no change orders.

In order to finalize the construction Contract, staff recommends your Board accept the Project as complete and authorize the Director of Facility Services to execute and file the Notice of Completion.

**ENVIRONMENTAL CLEARANCE:** The trenchless technology sewer rehabilitation work included in this project is categorically exempt from environmental review pursuant to Section 15301(b) "Existing Facilities" of the California Environmental Quality Act Guidelines.

**FISCAL IMPACT:** The total budget for the project was \$360,000. The final project cost is \$184,529.60. Funding was included in the Fiscal Year 2009/10 Budgets for SMD 1 and SMD 2.
