Re: Leadership Auburn  
Session Sponsor

Dear Jim,

The Leadership Auburn program is now in its twelfth year with the Class of 2011. The financial support of the County of Placer since the inception of this community leadership development program has been greatly appreciated, and we hope the County will continue to underwrite Leadership Auburn.

The County of Placer is in good company as an underwriter of Leadership Auburn with the City of Auburn, Auburn Journal, Placer County Water Agency, Manning Consulting, Tenaj Creations, and PG&E.

Your financial support in the past has been \$500, and directly offsets curriculum costs, making the tuition fees more affordable for residents of Placer County to enroll in the Leadership Auburn program. Financial support this year in any amount will again enhance the quality of this community leadership program.

Jim, we will acknowledge “Placer County” in the attractive class materials that the students use throughout the year. Then, at the leadership retreat and at the nine monthly sessions throughout the year, attractive signage will recognize Placer County as a supporter of leadership development in the community. Finally, at the graduation dinner, the program will highlight your generous commitment as an underwriter of Leadership Auburn.

Thank you, Placer County for giving this program your financial support for the past eleven years, and for your consideration of continued support this coming year.

Sincerely,

**LEADERSHIP AUBURN**
