DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS  
FROM: KEN GREHM / KEVIN ORDWAY  
SUBJECT: SHERIDAN SAFE ROUTES TO SCHOOL PROJECT

DATE: June 21, 2011

## ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chairman of the Board to award and execute, with County Counsel and Risk Management review and approval, the construction contract for the Sheridan Safe Routes to School Project to Wopahoe Construction Inc., dba Freddi's Paving and Grading, in the amount of \$207,732 and authorize the Director of Public Works to execute contract change orders or item adjustments up to 10% of the contract amount.

## BACKGROUND/SUMMARY

Sheridan Elementary School is located on the northern portion of the town of Sheridan. The school site provides preschool and elementary school education. The campus is a collection point for Junior High and High School students who are bussed to Roseville. Currently the streets are lined with drainage ditches and the children when walking to school do not have a designated pedestrian and bike area and share the paved streets with automobile traffic. This project entails the installation of multi-use paths on streets leading to the school, paths adjacent to the school perimeter, a bus loading area, a 4-way stop at the corner of 10<sup>th</sup> Street and Riosa Road and a vehicle speed feedback sign.

Four (4) bids were opened on May 10, 2011. The original apparent low bidder was deemed non-responsive. The Public Works Department issued a Notice of Intent to Award to Wopahoe Construction Inc., dba Freddi's Grading and Paving. A Bid Protest was received and the Director of Administrative Services reviewed the Bid Protest and issued a written decision to deny the protest.

## ENVIRONMENTAL

A Categorical Exemption was determined appropriate for this project by the Placer County Department of Public Works pursuant to the California Environmental Quality Act (CEQA). A Notice of Exemption was filed with the County Clerk on April 27, 2010. A Categorical Exclusion under the National Environmental Policy Act (NEPA) was approved by Caltrans on April 15, 2010.

## FISCAL IMPACT

The total construction cost for this project including contingency and Construction Management costs is estimated to be \$255,550. The project is funded through the Federal Safe Routes to School Program that provides 100% reimbursement. Funding for construction of the project is included in the 20010/2011 Fiscal Year Budget.
