TO: Honorable Board of Supervisors

FROM: Thomas Miller, County Executive Officer

BY: David C. Snyder, Director of Economic Development 

DATE: August 9, 2011

**SUBJECT: PLACER COUNTY VISITOR'S BUREAU OPERATING AGREEMENT
FOR FISCAL YEAR 2011-2012**

ACTION REQUESTED

Approve the attached agreement for Fiscal Year 2011-12 between the County of Placer and the Placer County Visitors Bureau (PCVB) in the amount of \$329,000 which includes \$190,000 for Western Slope Tourism Marketing, \$45,000 for State Fair Booth Construction and Coordination, \$40,000 from North Lake Tahoe Resort Association (NLTRA), and \$54,000 as a one-time lump-sum payment for services and expenses related to relocation to the new California Welcome Center.

BACKGROUND

The Placer County Visitors Bureau (PCVB) was formed in 1998 in cooperation with Placer County. The PCVB Board of Directors includes representation from chambers of commerce, hospitality, agriculture, history, arts and culture, and recreation. The U.S. Forest Service, State Department of Parks and the County Executive Office are also represented as ex-officio members of the PCVB Board.

Transient Occupancy Tax (TOT) is collected from hotel and lodging facilities in Placer County. Of the portion from Western Placer County known as the Western Slope TOT, tourism promotion is accomplished through a contract with the Placer County Visitors Bureau (PCVB). This is a one-year annual contract based on work plan and sufficient TOT revenues to fund the plan. Each month, PCVB submits a performance report to the County and invoices the Office of Economic Development (OED) for 1/12th of the agreed upon annual allotment.

In Fiscal Year 2010-11, the PCVB successfully accomplished its scope of work with funding provided by County contract. Key activities included advertising; cooperative marketing; furnishing of collateral materials, maps, books and pamphlets; participation in travel industry conferences and events; production of press releases; State Fair exhibit construction management and oversight; website enhancement and maintenance; and continue partnerships with tourism-related community organizations.

BACKGROUND (Continued)

In Fiscal Year 2011-12, the PCVB will perform these same activities with special emphasis on relocation of the California Welcome Center; maintaining a comprehensive calendar of events; the Placer County Wine Industry; State Fair booth construction and coordination; outreach to the Bay Area market segment; a Memorandum of Understanding with the NLTRA; an updated Visitor's Guide; and representation on the Placer County Economic Development Board.

The relocation of the California Welcome Center and PCVB offices will provide significant rent saving of approximately \$4,800 per month. Such operating expense savings will greatly improve the bottom line for the PCVB and allow for more aggressive external marketing efforts, enhancing the ability to complete for leisure market visitors/travelers that would be attracted to Placer County.

FISCAL IMPACT

This is a one-year annual contract renewal in the amount of \$329,000. This is a \$54,000 increase from the prior year due to the one-time general fund payment for moving costs related to relocation to the Auburn Old City Hall Complex, Auburn, California – the new California Welcome Center. The availability of this funding is based on performance of the work plan specified in Exhibit A and represents a minimum amount of TOT revenues to fund the plan. The contract for the following year will be adjusted based on the actual amount of TOT revenue received. This contract will require an increase of \$54,000 in the General Fund final budget for Economic Development for the one-time moving costs. The \$54,000 will be reimbursed over the next two years from the Western Slope TOT revenue through a reduction in the PCVB contract made possible by rent savings in the new facility. The sum total of this contract will be re-evaluated for Fiscal Year 2012-13 and adjusted in subsequent years based on available TOT revenue, PCVB expenses at the new Welcome Center site, and performance of the work plan.
