Michael J. Johnson, AICP

PLANNING
SERVICES DIVISION

Paul Thompson, Deputy Director

MEMORANDUM

TO: Honorable Board of Supervisors

FROM: Michael Johnson, Agency Director

DATE: August 23, 2011

SUBJECT: Request for Assignment of Contract – Northfork Environmental, Inc. to Salix Consulting, Inc.

ACTION REQUESTED

The Planning Services Division is requesting that the Board of Supervisors accept the Request for Assignment of Contract to assign an existing Northfork Environmental, Inc. Contract (No. 012862) to Salix Consulting, Inc. to continue to assist the Planning Services Division in completing the Placer County Conservation Plan (PCCP) and authorize the Community Development/Resource Agency Director to sign the associated contract amendment.

BACKGROUND

Placer County has had a contract with Northfork Environmental, Inc. (NFA) for a number of years to assist with the development of the PCCP. In particular, NFA's services have been used to assist with the development of a key element of the PCCP, the County Aquatic Resources Program (CARP) as well as the vegetative mapping that serves as the baseline environmental condition for the Plan. The CARP is that element of the PCCP that seeks to fully integrate federal and state wetland permitting programs into a habitat conservation plan.

Jeff Glazner, formally of NFA, has been the lead biologist and project manager who has conducted the majority of the work under NFA. Mr. Glazner has recently formed a new company, Salix Consulting, Inc. (Salix). On July 1, 2011, the Planning Services Division received a Request for Assignment of Contract from NFA to assign the contract to Salix (Attachment 1). The Planning Services Division supports this assignment in order to continue to retain Mr. Glazner's services for the remaining elements of the original scope of work. A total of \$71,243.25 remains in the original NFA contract (Attachment 2). With the assignment, no additional work will be performed by NFA as a part of the PCCP.

FISCAL IMPACT

The current contract with NFA is for \$89,325. The subject contract assignment from NFA to Salix results in a transfer of the balance of the contract, or \$71,243.25. These funds are already encumbered and no amendment to the contract is proposed at this time. There is no new fiscal impact to the County.

RECOMMENDATIONS

The Planning Services Division recommends that the Board of Supervisors accept the Request for Assignment of Contract to assign the existing Northfork Environmental, Inc. Contract (No. 012862) to Salix Consulting, Inc.
