SUBJECT: RESOLUTION - Approve a Resolution in support of the "Reno Tahoe Odyssey Relay Run Adventure" to be held May 31 – June 1, 2013 around Lake Tahoe, passing through Placer County on May 31st.

ACTION REQUESTED

Approve a Resolution in support of the "Reno Tahoe Odyssey Relay Run Adventure" to be held May 31 – June 1, 2013 around Lake Tahoe, passing through Placer County on May 31st.

BACKGROUND/COMMUNITY BENEFITS

As in previous years, the Board is again being asked to endorse the Reno – Tahoe Odyssey Relay Run Adventure. This event is scheduled to take place on May 31 - June 1, 2013 and includes several teams of 12 runners competing in a 178-mile relay run course. The course begins in Reno, winds through the mountains to Truckee, travels Highway 89 to Tahoe City and further along to the west shore of Lake Tahoe to South Lake Tahoe. The course then returns to Nevada, traveling through Genoa, Carson City, and Virginia City before returning to Reno. The course is divided into 36 segments. One runner runs a segment of the course, while the other runners on the team ride along in 2 vans (6 to a van). The relay begins in Reno on Friday June 1, 2013. The teams each start at different times between 7:00 a.m. and 4:00 p.m. One runner on each team will be running continuously until the team completes the course. Between 200 to 250 teams of runners are expected. A portion of the net proceeds from this event will benefit the two local charity organizations of the Northern Nevada Children's Cancer Foundation and the Tahoe Pyramid Bikeway. In addition, the event will showcase the many attractions that exist in the Reno – Lake Tahoe region and will promote Squaw Valley, Tahoe City and other locations and businesses in Placer County.

INTERAGENCY COORDINATION AND NOTIFICATION

The organizers of this relay have worked with several local agencies for the necessary permits and approvals to safely conduct this event. This event does not close any roads and will not block or impede traffic on county roads. The runners will run along the shoulder of the roads and are required to comply with all traffic rules. In addition, as with the event last year and every year for 8 years, the organizers work closely with Caltrans, the California Highway Patrol, Placer County Public Works, Placer County Parks Division, the U.S. Forest Service and the Tahoe City PUD to obtain a special event permit, use of electronic message boards, and requiring the team vans to display signs that warn other drivers about the runners. Placer County will also be provided a certificate of insurance, liability insurance and liability release forms signed by each runner.
