

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS DATE: April 9, 2013
FROM: KEN GREHM / KEVIN TABER
SUBJECT: PLACER COUNTY ROADWAY SURFACE TREATMENT SUMMER 2013,
CONTRACT NO. 1133

ACTION REQUESTED / RECOMMENDATION

1. Approve project specifications for the Roadway Surface Treatment project estimated to cost \$2,700,000 and authorize the Department of Public Works to advertise for bids. There is no net County cost.

BACKGROUND / SUMMARY

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. The selection of roads for surface treatment is typically a function of the road condition, traffic volumes, and funding. Your Board approved funding for various surface treatments in the 2012-2013 fiscal year utilizing Road funds, and County Service Area (CSA) funds. CalRecycle also recently approved our grant application which may provide up to an additional \$250,000 for the use of recycled rubber tires incorporated into surface treatment. We have included approximately 50 miles of roadway in this year's project.

This summer's project will consist of three different types of surface treatments: Slurry seal; Rubberized Chip Seal; and Cape Seal. A cape seal is a slurry seal placed over chip seal. These road resurfacing processes provide a new wearing surface, some crack filling, pavement rejuvenation, and sealing. The construction requires special equipment to place the chip or slurry seal on the roadway.

A list of this year's roads and bid specifications is on file with the Clerk of the Board. The current project includes approximately 50 miles of roads at various locations throughout Placer County. Roads may change depending on bid prices, which are subject to the volatility of the current oil market

ENVIRONMENTAL

This project is Categorically Exempt from the provisions of CEQA as a Class I exemption, Section 15301 (c) "Maintenance of Existing Facilities".

FISCAL IMPACT

Funding is available in the 2012-2013 Road Construction Budget for Project No. 2967 "Road Resurfacing - Summer 2013". Approximately \$1,300,000 will be County Service Area Funds, approximately \$1,200,000 will be Road Funds, and approximately \$250,000 will be CalRecycle Grant Funds.

A copy of the Project Specifications is on file with Clerk of the Board's Office.
