

MEMORANDUM
PLACER COUNTY HEALTH AND HUMAN SERVICES
Environmental Health Division

TO: Honorable Board of Supervisors

FROM: Richard J. Burton, M.D., M.P.H.
Placer County Health Officer and Director of Health & Human Services
Wesley Nicks, R.E.H.S., Director of Environmental Health, Public Health, and Animal Services

DATE: April 23, 2013

SUBJECT: Annual Adjustment of Environmental Health Fees

ACTION REQUESTED:

Adopt a resolution containing the current fee schedule for services provided by the Environmental Health Division of the Health and Human Services Department.

BACKGROUND:

Environmental Health programs provide essential services to our community by protecting the public health of the County's residents and visitors, and assuring the maintenance of the quality of the County's environment. Consumer Protection, Hazardous Materials, and Solid Waste services include regular monitoring and inspections of restaurants, public pools, public water systems, solid waste facilities, and hazardous materials facilities. In addition, Environmental Health performs construction-related plan check and inspection services (water wells, septic, and permitted facilities) in coordination with the Community Development Resource Agency.

Fees are charged to project applicants and consumers of these services, and these fees are subject to annual increase as prescribed in Placer County Code, Article 2.116.100. The Placer County Code requires fees to be subject to an annual adjustment each January 31, commencing January 31, 2009, at the same rate as the State of California, Department of Industrial Relations, and Consumer Price Index (CPI) California – for All Urban Consumers. Adjustments are to be measured based on the difference between the 2008 Annual Average and the Annual Average for the most recent calendar year. The data required to calculate these adjustments was released by the California Department of Industrial Relations earlier this year. Your Board is requested to ratify these annual fee increases which are calculated based on the California Consumer Price Index (CPI) as prescribed.

The revised fee schedule is attached and definitions of fee categories are on file with the Environmental Health Branch.

FISCAL IMPACT:

The percentage change of each fee is the same as the percentage change in the CPI between the 2008 Annual Average and the most recent calendar year, which has been published by the State as 5.9%. All fees are rounded to the nearest dollar. The Department's FY2013-14 Budget will be prepared consistent with this action.

Clerk of said Board

WHEREAS, the Health and Human Services Department allocates staff time and other costs for processing and review of certain land development applications and for providing various services to the public; and

WHEREAS, the Board has previously determined that the costs associated with such services are to be supported, in part, by project applicants and consumers of those services; and

WHEREAS, the Board has adopted a fee schedule by ordinance to ensure cost recovery consistent with the Board's direction; and

WHEREAS, in accordance with Placer County Code, Article 2.116.100, these fees shall be subject to annual adjustment each January 31, commencing January 31, 2009, at the same rate as the State of California, Department of Industrial Relations, Consumer Price Index (CPI) – California, for all Urban Consumers, and changes are to be measured based on the difference between the 2008 annual average and the annual average for the most recent calendar year, which has been published as 5.9% in accordance with this Index;

NOW, THEREFORE, it is hereby resolved that the Board of Supervisors of Placer County adopts the Health and Human Services Department, Environmental Health Branch Fee Schedule as set out in the attached Exhibit A. These fees shall be effective May 1, 2013.
