

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: October 8, 2013
FROM: KEN GREHM / KEVIN TABER
SUBJECT: ROADWAY SURFACE TREATMENT, SUMMER 2013 - CONTRACT No. 1133,
CHANGE ORDER NO. 2

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution authorizing the Director of Public Works to execute Contract Change Order No. 2, for Contract No. 1133, Roadway Surface Treatment, Summer 2013, with VSS International Inc. of West Sacramento in the amount of \$39,860. The net Road Fund cost is \$19,510.

BACKGROUND / SUMMARY

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. The selection of roads for surface treatment is typically a function of the road condition, traffic volumes, and funding. This summer's project consisted of three different types of surface treatments: 1. Microsurfacing seal; 2. Rubberized Chip Seal; and 3. Cape Seal. A cape seal is a microsurface seal placed over chip seal.

On June 4, 2013, your Board awarded Contract 1133 to VSS International, Inc. of West Sacramento, in the amount of \$1,739,555. This was 35.6% under the engineer's estimate. Because of the low contract unit prices, we requested a 15% contingency. Consequently, we issued contract Change Order No. 1 and added six miles of roadway to the contract. This utilized approximately 14.8% of the 15% contingency.

The project is substantially complete; however, we are seeking to add several roads in the Roseville "Livoti Tract" area (see attached list). The Citrus Heights Water District (CHWD) recently completed a water line project in the area and is required to resurface the roadways in which they placed the water line. They would like to partner with the County to complete this work to gain economy of scale through our contract with VSS; however, we have nearly exhausted the available contingency. VSS has agreed to perform the work, and the total cost of the additional work is estimated at \$39,860; CHWD will provide funding in the amount of \$20,350 (51%) to cover their portion of the work.

ENVIRONMENTAL

This project is Categorically Exempt from the provisions of CEQA as a Class I exemption, Section 15301 (c) "Maintenance of Existing Facilities".

FISCAL IMPACT

Funding is available in the 13/14 Road Construction Budget for Project No. 2967 "Road Resurfacing FY 2012-13. Net Road Fund cost is \$19,510; CHWD will fund the remaining portion of the proposed work (\$20,350).
