PLACER COUNTY HEALTH AND HUMAN SERVICES
Adult System of Care**

TO: Honorable Board of Supervisors

FROM: Richard J. Burton, M.D., M.P.H.
Placer County Health Officer and Director of Health & Human Services
Maureen F. Bauman, Director of Adult System of Care

DATE: November 12, 2013

SUBJECT: Proclaiming November 2013 as Caregiver Appreciation Month in Placer County

ACTION REQUESTED:

1. Approve a Proclamation proclaiming November 2013 as Caregiver Appreciation Month in Placer County.

BACKGROUND:

The Placer County In-Home Supportive Services (IHSS) program and the Public Authority (PA) assist individuals who are elderly, blind, or disabled to remain safely in their home and obtain a caregiver. The IHSS and Public Authority strive to provide services that support a positive and productive relationship between the consumer and the provider.

Caregivers provide individuals with domestic and personal care. The IHSS caregiver plays an important role in assisting the consumer to live safely, with dignity and independence in their own home. Caregivers assist the consumers with daily tasks that most of us take for granted such as house cleaning, cooking, bathing and grooming, but that some people cannot do without the help a caregiver provides.

The month of November was first proclaimed as National Caregiver Month in 1997 by President Clinton and every president since has issued an annual proclamation appreciating caregivers.

IHSS and Public Authority staff, in conjunction with the United Domestic Workers of America, will celebrate all Placer County IHSS Caregivers with an appreciation dinner on December 10, 2013.

We are requesting the Board to proclaim November 2013 as "Caregiver Month" in Placer County, to demonstrate continued support and commitment to the In-Home Supportive Services and Public Authority programs.

FISCAL IMPACT:

There is no fiscal impact as a result of this action.
