

**MEMORANDUM
COUNTY OF PLACER
ADMINISTRATIVE SERVICES DEPARTMENT
PROCUREMENT SERVICES DIVISION**

TO: Honorable Board of Supervisors
FROM: Brett Wood, Purchasing Manager
DATE: February 24, 2015
SUBJECT: Professional Consulting Services for Public Works Projects in Eastern Placer County – Qualified Lists

ACTION REQUESTED

1. Approve a one-year extension of four Qualified Lists of firms for professional consulting services for public works projects in Eastern Placer County, as the result of competitive Request for Qualifications No. 10017, for the period of March 1, 2015 through February 29, 2016.

BACKGROUND

On May 6, 2014, your Board approved a one-year extension of four Qualified Lists for professional consulting services for public works projects in Eastern Placer County, as a result of competitive Request for Qualifications No. 10017.

The four categories of various professional services identified in the RFQ include civil engineering design; surveying; revegetation design and inspection; and environmental analysis and documentation. These services are requested by the Department of Public Works (DPW) on an as-needed basis. The Qualified Lists showing the approved firms are attached, and expire on February 28, 2015. The RFQ solicitation included two one-year options to extend the list.

Based on the positive response from DPW, Procurement Services recommends exercising the second renewal option, extending the Qualified Lists through February 29, 2016.

FISCAL IMPACT

There is no immediate fiscal impact resulting from this action. Individual contracts will be negotiated with one or more firms as needed, and the resulting expenditures will be funded from existing budgets or project funds, as appropriate. Contracts of \$50,000 or less may be executed by the Purchasing Manager. Contracts which are greater than \$50,000 will require your Board's approval.

Attachment A: Qualified Lists

Cc: Brian Stewart, Senior Civil Engineer – Department of Public Works, Tahoe Engineering Division
Cynthia Taylor, Senior Administrative Services Officer – Department of Public Works
