

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS

DATE: March 10, 2015

FROM: KEN GREHM / MATT RANDALL

SUBJECT: DOWD ROAD OVER YANKEE SLOUGH BRIDGE REPLACEMENT PROJECT-
CONTRACT NO. 1200

ACTION REQUESTED / RECOMMENDATION

1. Adopt a Resolution awarding Contract No. 1200 for the construction of the Bridge Replacement Project on Dowd Road over Yankee Slough to McGuire and Hester in an amount not to exceed \$2,568,944 with County Counsel and Risk Management's review and approval. There is no net County cost.
2. Authorize the Chair of the Board to execute Contract No. 1200.
3. Authorize the Director of Public Works to execute contract change orders up to an additional 10 percent of the contract amount.

BACKGROUND / SUMMARY

The Department of Public Works is proposing to replace the existing bridge on Dowd Road at Yankee Slough under the Federal Highway Bridge Program (HBP). In a letter dated April 22, 2005, Caltrans recommended immediate closure of this structure primarily due to the excessive sagging of the bridge. The County installed a temporary support at mid-span and later replaced it with an alternative support system to prevent further structural deterioration and collapse. The proposed bridge and improved approaches will bring this bridge into compliance with current structural, geometric, and hydraulic guidelines.

Your Board authorized advertisement for bids on December 9, 2014. Bids for the project were opened on February 4, 2015. Nine (9) bids were received. The apparent low bidder is McGuire and Hester. The Department of Public Works is requesting that the Board award the contract to the lowest responsible and responsive bidder, and execute the contract.

ENVIRONMENTAL

The Board approved the Subsequent Initial Study/ Mitigated Negative Declaration (IS/MND) prepared for this project, pursuant to the California Environmental Quality Act (CEQA) with State Clearing House No. 2009032002, on May 7, 2013. The revalidation of the National Environmental Policy Act (NEPA) was completed by Caltrans on November 6, 2013.

FISCAL IMPACT

The cost of this contract is \$2,568,944. The construction contract is funded through the Federal HBP Program (100 percent). There are sufficient funds available in the FY 2014-15 and will be recommended in future fiscal year budgets for the work to be performed under contract. There is no net cost to the County.

Attachment: Resolution, Location Map

**Before the Board of Supervisors
County of Placer, State of California**

In the matter of: ADOPT A RESOLUTION
AWARDING CONTRACT NO. 1200 FOR THE
