**Attest:**

Clerk of said Board

**WHEREAS**, California Government Code 66000 *et seq* allows local agencies to collect fees from new development to offset development's impact on local services, and the Placer County Board of Supervisors created the legal framework, codified in the Placer County Code Chapter 15.36.010, on August 28, 1990 for fire protection districts to collect fees to mitigate development impacts on their services; and

**WHEREAS**, the legal authority to levy fees is by law vested in the Board of Supervisors and therefore, in order to collect mitigation fees on new construction, the fire protection district, not having any direct legal authority itself, must prepare and submit to the Board of Supervisors for its approval, a capital facilities plan that delineates a fee schedule; and

**WHEREAS**, the Board of Directors of the Truckee Fire Protection District held a noticed public hearing on this plan on November 17, 2015. At that meeting this plan was adopted by Resolution Number 16-2015.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors of the County of Placer that the Truckee Fire Protection District Capital Improvement Plan for Fiscal Year 2015-2016 is hereby approved.
