

**MEMORANDUM  
DEPARTMENT OF PUBLIC WORKS AND FACILITIES  
COUNTY OF PLACER**

To: Honorable Board of Supervisors Date: January 5, 2016

From: Ken Grehm, Director of Public Works and Facilities  
By: Richard Moorehead, Engineering Manager

Subject: **Engineering / Utility Agreement No.1 / Wise Road over Doty Creek Bridge  
Replacement Project PC2962**

---

**ACTION REQUESTED**

Adopt a Resolution authorizing the Director of Public Works and Facilities, or designee, to enter into Utility Agreement No. 1 with Pacific Gas & Electric Company for the Wise Road over Doty Creek Bridge Replacement Project in a total amount not to exceed \$9,115.

**BACKGROUND**

The Department of Public Works, under the Federal Highway Bridge Program (HBP), proposes to replace the existing one lane, narrow, 92 year old bridge on Wise Road over Doty Creek (Doty Ravine). The proposed bridge and improved approaches will bring this bridge into compliance with current structural, geometric, and hydraulic guidelines.

Pacific Gas & Electric (PG&E) facilities are in conflict with the proposed side slopes and ditches and have to be relocated to provide adequate drainage and prevent flooding of the adjacent property. PG&E has had a recorded easement since 1941 for their facility, a single the pole, within the footprint of the project. The County is responsible for all PG&E's relocation costs. PG&E's poles will be relocated within the County's right of way.

Construction is tentatively planned for the summer of 2017.

**ENVIRONMENTAL CLEARANCE**

The Board approved the Initial Study/ Mitigated Negative Declaration (IS/MND) prepared for this project, pursuant to the California Environmental Quality Act (CEQA) with State Clearing House No. 2015032012 on May 5th, 2015. The National Environmental Policy Act (NEPA) was completed by Caltrans on August 4th, 2015.

**FISCAL IMPACT**

The total cost of the project is estimated to be \$4,800,000. The project is funded through the Federal Highway Bridge Program (88.53 percent) and the County Road Fund (11.47 percent). There are sufficient funds available in the Department's FY 2015-16 Final Budget.
