

MEMORANDUM

DATE: February 9, 2016
TO: Board of Supervisors
FROM: Lori Walsh, Director of Human Resources
SUBJECT: Measure F, Other Safety Classifications, and Sec 207 Increases for Calendar Year 2016

ACTION REQUESTED:

- 1) Introduce an ordinance amending the un-codified Schedule of Classifications and Compensation Ordinance, implementing the required salaries for the classifications covered by Measure F, and other law enforcement classifications, and confirming Board member salaries under Section 207 of the County Charter, to be effective February 6, 2016.

INFORMATION & BACKGROUND – Measure F

Measure F is a local initiative sponsored by the Placer County Deputy Sheriff's Association (PCDSA) and passed by the voters of Placer County, effective in 1977. Measure F, codified in Placer County Code § 3.12.040 (Appendix A) and its express terms, are mandatory. Measure F provides the required method for annually determining and setting salaries for specified peace officer classes in Placer County. The Measure F formula requires the County to annually: (1) determine maximum salaries for comparable classes of positions, as listed, in the 3 surrounding counties, El Dorado, Nevada and Sacramento; (2) calculate the average maximum salaries for those three agencies; and then, (3) set the salary of the Placer County comparable employees at a level equal to the average maximum salary of the other three counties. The required average maximums are used to set the salaries for the classifications of Undersheriff, Captain, Lieutenant, Sergeant, and Deputy Sheriff II, effective the first full pay period in February. Approximate percentage increases by classification are as follows: Undersheriff 2.89%; Captain 3.64%; Lieutenant 2.02%; Sergeant 2.94%; Deputy Sheriff II 2.23%.

While Measure F sets the salaries of the classifications as described above, the salaries for classifications which are benchmarked and/or associated with Measure F classifications also are reviewed at this time. Those classifications and increases include: Deputy Sheriff I 2.23%; Deputy Sheriff Trainee 2.23%; Investigator-District Attorney 2.94%; Investigator-Welfare Fraud/Child Support 2.94%; Investigator-Welfare Fraud-Supervising 2.94%; Assistant Sheriff 2.89%; Chief Deputy Coroner 2.23%; and the extra help only classifications of Assistant Deputy Sheriff I 2.23%; Assistant Deputy Sheriff II 2.23%.

For a Deputy Sheriff II, the most prevalent classification filled, the Measure F increase would result in an approximate maximum annual base salary of \$79,125, an increase of \$1,723 over the existing top step salary of \$77,402.

The PCDSA and the affected department heads have been advised of the salary adjustments as presented.

The survey data collected and resulting salary increases are attached as Appendix B.

INFORMATION & BACKGROUND – Placer County Charter Section 207 Salaries

Effective January 1, 2015, Section 207 of the Placer County Charter was amended with voter approval to set and limit the salaries of the Board of Supervisors membership. Codified in the Placer County Charter § 207 (Appendix C), this amendment and its express terms are mandatory. The County is required to annually: (1) determine maximum salaries for the comparable classification in the 3 surrounding counties, El Dorado, Nevada and Sacramento; (2) calculate the average maximum salaries for those three agencies; and then, (3) set the salary of the Placer County comparable employees at a level that does not exceed the average maximum salary of the other three counties.

In applying the formula to set the wage for the members of the Board of Supervisors, the associated salary will be adjusted to a bi-weekly rate of \$2,869.42, and an annualized salary of \$74,605.

The survey data collected and resulting salary increases are attached as Appendix C.

FISCAL IMPACT:

Measure F - The total cost impact of base salaries for allocated positions for the remainder of this fiscal year (Appendix D), is approximately \$294,611 (\$877,703 annualized), which the affected departments will be expected to absorb within their current budgets.

Sec 207 Salaries - The total increased cost impact based upon base salaries for 5 allocated positions for the remainder of this fiscal year is approximately \$4,932. The total annualized cost increase is \$14,250.
