

MEMORANDUM
DEPARTMENT OF PUBLIC WORKS
AND FACILITIES
ENGINEERING
County of Placer

TO: Board of Supervisors DATE: March 22, 2016
FROM: Ken Grehm, Director of Public Works and Facilities
By: Phil Vassion, Associate Civil Engineer
SUBJECT: Engineering / Pavement Marker Installation on Various Placer County Roadways,
Contract No. 1199 / Notice of Completion

ACTION REQUESTED

Adopt a Resolution accepting Construction Contract No. 1199 Pavement Marker Installation on Various Placer County Roadways as complete, and Authorize the Director of Public Works and Facilities, or designee, to execute a Notice of Completion.

BACKGROUND

This project installed recessed reflective pavement markers on five roadways in Placer County, (Bowman Road, Dry Creek Road, Horseshoe Bar Road, Lake Arthur Road and West Weimar Cross Road). The goal of the installations was to target locations with collision history and provide markers along the roadway centerline in order to reduce the likelihood of head-on collisions.

The Board awarded Construction Contract No. 1199 to Central Striping Services Inc., on May 5, 2015 for \$57,621, and authorized the Director of Public Works to execute the contract and contract change orders up to an additional ten percent for a total approval amount of \$63,383.

Work is complete at a cost of \$58,618.40. Filing a Notice of Completion establishes a deadline for anyone who wishes to make an additional claim on the project.

ENVIRONMENTAL IMPACT

This project as defined in Section 15301 is Categorical Exempt and a Notice of Exemption was filed with the County Recorder's office on March 14, 2014. The project was granted a Categorical Exemption under NEPA on April 14, 2014.

FISCAL IMPACT

The final construction cost is \$58,618.40. No Contract Change Orders were issued for the project. A contract summary is attached. The project is funded through the Federal Highway Safety Improvement Program grant (90 percent) and Local Road Funds (10 percent).
