**BOARD OF SUPERVISORS**  
County of Placer

TO: Honorable Board of Supervisors  
FROM: Robert Weygandt, Supervisor District 2  
SUBJECT: Revenue Sharing – Dry Creek Conservancy | Funding to support Auburn Ravine conservation and restoration efforts

---

**ACTION REQUESTED**

Approve appropriation of \$1,000 in Revenue Sharing monies to Dry Creek Conservancy for funding to support Auburn Ravine conservation and restoration efforts as requested by Supervisor Weygandt.

**BACKGROUND**

In approving the following contributions, the Placer County Board of Supervisors finds that each and every approved contribution serves a public purpose by promoting the general welfare of the County and its inhabitants, therefore a benefit results to the County.

The Board of Supervisors is being asked to approve appropriations to help support Friends of Auburn Ravine. This is a new community benefit corporation. It will promulgate the principles of Reconciliation Ecology to develop a balanced approach to protect and enhance the natural health of the Auburn Ravine watershed. Auburn Ravine is a 34-mile long stream that flows west from the foothills around Auburn, down through Newcastle and Lincoln, and then out across the valley to Verona where it enters the Sacramento River. Every fall and winter, large Chinook salmon swim up Auburn Ravine to spawn in the cool clean water between Lincoln and Newcastle. This organization will consist of community volunteers who will test the water levels of the ravine, clean up debris, count salmon, hold informational meetings, and protect the ravine. Dry Creek Conservancy will act as the fiscal agent for the funds. The funds received will help pay for the fees and the promotion necessary to start this new project.

**FISCAL IMPACT**

Funding is available in the FY 2015-16 Budget (Revenue Sharing)
