

**MEMORANDUM
PUBLIC WORKS AND FACILITIES
ENGINEERING DIVISION
County of Placer**

TO: Honorable Board of Supervisors DATE: July 12, 2016
FROM: Ken Grehm, Director of Public Works and Facilities
By: Matt Randall, Senior Civil Engineer
SUBJECT: Engineering / AT&T Utility Agreement / Brewer Road Over Pleasant Grove Creek Bridge Replacement Project

ACTION REQUESTED

Adopt a Resolution authorizing the Director of Public Works and Facilities, or designee, to enter into Utility Agreement with AT&T for the Brewer Road at Pleasant Grove Creek Bridge Replacement Project in a total amount not to exceed \$63,097.

BACKGROUND / SUMMARY

The Department of Public Works is proposing to replace the existing bridge on Brewer Road over Pleasant Grove Creek. The existing bridge is 76 years old and classified as structurally deficient. The project is being completed under the Federal Highway Bridge Program (HBP). The proposed project will design the bridge and roadway approaches to current structural, geometric, and hydraulic guidelines.

AT&T facilities are in conflict with the proposed work and must be relocated prior to construction. AT&T installed their underground line on private property within the footprint of the proposed project and has prior rights except where the line is attached to the existing bridge. The County is responsible for 90.5 percent of the AT&T relocation costs associated with this project. The underground AT&T line will be relocated to new poles within new right of way and a new easement outside of the proposed project footprint.

Utility relocation work is planned for the summer of 2016. Construction is tentatively planned for the summer of 2017.

ENVIRONMENTAL CLEARANCE

The Board approved the Initial Study/ Mitigated Negative Declaration (IS/MND) prepared for this project, pursuant to the California Environmental Quality Act (CEQA) with State Clearing House No. 2015062008 which was filed on August 7, 2015. The National Environmental Policy Act (NEPA) Categorical Exclusion was completed by Caltrans on August 12, 2015, and a revalidation was completed by Caltrans on October 29, 2015.

FISCAL IMPACT

The total cost of this contract is in the amount of \$63,097. This project is budgeted in the FY 2015-16 Department of Public Works and Facilities Final Budget, Bridge Construction Projects, Brewer Road at Pleasant Grove Creek Bridge #PC2964.

UTILITY AGREEMENT NO. 2

The PLACER COUNTY hereinafter called "LOCAL AGENCY" proposes to replace bridge over Pleasant Grove Creek on Brewer Road, in Pleasant Grove, Placer County, California.

And: AT&T

hereinafter called "OWNER," owns and maintains communication facilities; within the limits of LOCAL AGENCY's project that requires relocation of said facilities to accommodate LOCAL AGENCY's project.

It is hereby mutually agreed that:

I. WORK TO BE DONE:

In accordance with Notice to Owner No. 2 dated 6/27/16, OWNER shall complete all work required to relocate underground communication facilities. All work shall be performed substantially in accordance with OWNER's Plan No. 184226 dated 4/12/16, consisting of one sheet, a copy of which is on file in the Office of the LOCAL AGENCY 3091 County Center Drive, Suite 220, Auburn, Ca 95063. Deviations from the OWNER's plan described above initiated by either the LOCAL AGENCY or the OWNER, shall be agreed upon by both parties hereto under a Revised Notice to Owner. Such Revised Notices to Owner, approved by the LOCAL AGENCY and acknowledged by the OWNER, will constitute an approved revision of the OWNER's plan described above and are hereby made a part hereof. No work under said deviation shall commence prior to receipt by the OWNER of the Revised Notice to Owner. Changes in the scope of the work will require an amendment to this Agreement in addition to the revised Notice to Owner.

II. LIABILITY FOR WORK

The existing facility described in Section I above will be relocated at 90.5% LOCAL AGENCY expense and 9.5% OWNER's expense in accordance with the following proration: 1264 total feet in conflict. 120 feet are installed by permit and 1140 feet are installed by prescription. 120'/1261'=9.5% OWNER's expense.

III. PERFORMANCE OF WORK

OWNER agrees to perform the herein-described work with its own forces or to cause the herein described work to be performed by the OWNER's contractor, employed by written contract on a continuing basis to perform work of this type, and to provide and furnish all necessary labor, materials, tools, and equipment required therefore; and to prosecute said work diligently to completion.

Pursuant to Public Works Case No. 2001-059 determination by the California Department of Industrial Relations dated October 25, 2002, work performed by OWNER's contractor is a public work under the

definition of Labor Code Section 1720(a) and is therefore subject to prevailing wage requirements. OWNER shall verify compliance with this requirement in the administration of its contracts referenced above.

IV. PAYMENT FOR WORK

The LOCAL AGENCY shall pay its share of the actual cost of the herein described work within 90 days after receipt of OWNER's itemized bill in quintuplicate, signed by a responsible official of OWNER's organization and prepared on OWNER's letterhead, compiled on the basis of the actual cost and expense incurred and charged or allocated to said work in accordance with the uniform system of accounts prescribed for OWNER by the California Public Utilities Commission (PUC) or Federal Communications Commission (FCC), whichever is applicable.

It is understood and agreed that the LOCAL AGENCY will not pay for any betterment or increase in capacity of OWNER's facilities in the new location and that OWNER shall give credit to the LOCAL AGENCY for all accrued depreciation on the replaced facilities and for the salvage value of any material or parts salvaged and retained or sold by OWNER.

Not more frequently than once a month, but at least quarterly, OWNER will prepare and submit progress bills for costs incurred not to exceed OWNER's recorded costs as of the billing date less estimated credits applicable to completed work. Payment of progress bills not to exceed the amount of this Agreement may be made under the terms of this Agreement. Payment of progress bills which exceed the amount of this Agreement may be made after receipt and approval by LOCAL AGENCY of documentation supporting the cost increase and after an Amendment to this Agreement has been executed by the parties to this Agreement.

The OWNER shall submit a final bill to the LOCAL AGENCY within 180 days after the completion of the work described in Section I above. If the LOCAL AGENCY has not received a final bill within 180 days after notification of completion of OWNER's work described in Section I of this Agreement, and LOCAL AGENCY has delivered to OWNER fully executed Director's Deeds, Consents to Common Use or Joint Use Agreements as required for OWNER's facilities; LOCAL AGENCY will provide written notification to OWNER of its intent to close its file within 30 days and OWNER hereby acknowledges, to the extent allowed by law that all remaining costs will be deemed to have been abandoned.

The final billing shall be in the form of an itemized statement of the total costs charged to the project, less the credits provided for in this Agreement, and less any amounts covered by progress billings. However, the LOCAL AGENCY shall not pay final bills, which exceed the estimated cost of this Agreement without documentation of the reason for the increase of said cost from the OWNER. If the final bill exceeds the OWNER's estimated costs solely as the result of a revised Notice to Owner as provided for in Section I, a copy of said revised Notice to Owner shall suffice as documentation.

In any event if the final bill exceeds 125% of the estimated cost of this Agreement, an amended Agreement shall be executed by the parties to this Agreement prior to the payment of the OWNER'S final bill. Any and all increases in costs that are the direct result of deviations from the work described in Section I of this Agreement shall have the prior concurrence of LOCAL AGENCY.

Detailed records from which the billing is compiled shall be retained by the OWNER for a period of three years from the date of the final payment and will be available for audit in accordance with Contract Cost Principals and Procedures as set forth in 48 CFR, Chapter 1, Part 31 by LOCAL AGENCY and/or Federal Auditors.

V. GENERAL CONDITIONS

All costs accrued by OWNER as a result of LOCAL AGENCY's request of 8/3/15 to review, study and/or prepare relocation plans and estimates for the project associated with this Agreement may be billed pursuant to the terms and conditions of this Agreement.

If LOCAL AGENCY's project which precipitated this Agreement is canceled or modified so as to eliminate the necessity of work by OWNER, LOCAL AGENCY will notify OWNER in writing, and LOCAL AGENCY reserves the right to terminate this Agreement by Amendment. The Amendment shall provide mutually acceptable terms and conditions for terminating the Agreement.

OWNER shall submit a Notice of Completion to the LOCAL AGENCY within 30 days of the completion of the work described herein.

LOCAL AGENCY will acquire new rights of way in the name of either the LOCAL AGENCY or OWNER through negotiation or condemnation and when acquired in LOCAL AGENCY's name, shall convey same to OWNER by Easement Deed. LOCAL AGENCY's liability for such rights of way will be at the proration shown for relocation work involved under this Agreement.

Where OWNER has prior rights in areas which will be within the highway right of way and where OWNER's facilities will remain on or be relocated on LOCAL AGENCY highway right of way, a Joint Use Agreement or Consent to Common Use Agreement shall be executed by the parties.

It is understood that said highway is a federal aid highway and accordingly, 23 CFR, Chapter 1, Part 645 is hereby incorporated into this Agreement.

It is understood that said highway is a Federal aid highway and accordingly, 23 CFR, Chapter 1, Part 645 is hereby incorporated into this Agreement.

In addition, the provisions of 23 CFR 635.410, BA, are also incorporated into this agreement. The BA requirements are further specified in Moving Ahead for Progress in the 21st Century (MAP-21), section 1518; 23 CFR 635.410 requires that all manufacturing processes have occurred in the United States for steel and iron products (including the application of coatings) installed on a project receiving funding from the FHWA.

Owner understands and acknowledges that this project is subject to the requirements of the BA law (23 U.S.C., Section 313) and applicable regulations, including 23 CFR 635.410 and FHWA guidance. OWNER hereby certifies that in the performance of this Agreement, for products where BA requirements apply, it shall use only such products for which it has received a certification from its supplier, or provider of construction services that procures the product certifying BA compliance. This does not include products for which waivers have been granted under 23 CFR 635.410 or other applicable provisions or excluded material cited in the Department's guidelines for the implementation of BA requirements for utility relocations issued on December 3, 2013.

THE ESTIMATED COST TO THE LOCAL AGENCY FOR IT'S SHARE (90.5%) OF THE ABOVE DESCRIBED WORK IS \$50,473.96.

IN WITNESS WHEREOF, the above parties have executed this Agreement the day and year above written.
