

MEMORANDUM
PUBLIC WORKS AND FACILITIES
ENGINEERING DIVISION
County of Placer

TO: Honorable Board of Supervisors

DATE: July 26, 2016

FROM: Ken Grehm, Director of Public Works and Facilities
By: Richard Moorehead, Engineering Manager

SUBJECT: **Engineering / Authorization to Advertise / Highway 49 Beautification and Sidewalk Project**

ACTION REQUESTED

Adopt a Resolution approving the plans and specifications for the Highway 49 Beautification and Sidewalk Project and authorizing the Department of Public Works and Facilities, or designee to advertise for construction bids.

BACKGROUND

This project will construct sidewalks along the east side of Highway 49 between New Airport Road and Bell Road with an additive option of extending sidewalks up to Education Street if bids come in below the estimated budget. This project was originally started by the Placer County Redevelopment Agency. Upon the dissolution of the Redevelopment Agency, the Department of Public Works and Facilities took over this project and worked in collaboration with a consulting design firm to complete the design, acquire the necessary right of way, and obtain all of the necessary permits for construction.

The plans and specifications have been prepared by a consultant engineer, and are ready to advertise with Board approval.

ENVIRONMENTAL IMPACT

A Mitigated Negative Declaration under CEQA was filed for the project on March 23, 2010 and accepted by the Board on July 13, 2010. A Categorical Exemption under NEPA was filed for the project and was certified on May 17, 2010.

FISCAL IMPACT

The estimated project construction cost is \$800,000. The project (PC2954) is funded through Redevelopment Bond Funds and Local Road Funds. There is sufficient funding available in the proposed FY 2016-17 budget.
