Approve a Proclamation Declaring August 2016 as Child Support Awareness Month in Placer County.

BACKGROUND

Each year your Board has recognized the month of August as "Child Support Awareness Month" in Placer County. This Board's support of August as "Child Support Awareness Month" continues to assist the Placer County Department of Child Support Services in promoting positive relationships by providing support services that: enhance stability; while ensuring parents pay child support on a regular and timely basis. Children are the most valuable resource, and need the emotional, medical, and financial support of each parent in order to reach their full potential as adults.

More than 8,000 local California child support professionals are steadfastly committed to improving the quality of life for 1.2 million California children and families through timely, accurate, and responsive child support services; which collected over \$2.3 billion last year, including over \$23 million by the Department of Child Support Services in and for the County of Placer. As with this Board, the State of California formally recognizes the month of August as "Child Support Awareness Month" by proclamation from the Office of the Governor.
