

The SECAT Program is holding several workshops in the greater Sacramento region to present the recent changes to the SECAT Program and announce the reopening of the program for new applications. The 2014 Amendments to the Air Resources Board Truck & Bus Regulation made changes to the trucks eligible to apply for funding under the SECAT Program. We will discuss these changes and the overall program in four workshops described below:

Sacramento Workshop:

Thursday, June 19, 2014 – 3:00 PM to 5:00 PM
Sacramento Metropolitan AQMD Main Conference Room
777 12th St, 3rd Floor
Sacramento, CA 95814

Auburn Workshop:

Tuesday, June 24, 2014 – 3:00 PM to 5:00 PM
Placer County Planning Commission Room
3091 County Center Dr
Auburn, CA 95603

Placerville Workshop:

Wednesday, June 25, 2014 – 3:00 PM to 5:00 PM
El Dorado County Office of Emergency Services Conference Room
330 Fair Ln, Building A
Placerville, CA 95667

Davis Workshop:

Thursday, June 26, 2014 – 3:00 PM to 5:00 PM
Yolo-Solano Air Quality Management District Main Conference Room
1947 Galileo Ct, Suite 103
Davis, CA 95618
