AIR POLLUTION CONTROL DISTRICT**

NOTICE OF PUBLIC HEARING

**PROPOSED NEW RULE
RULE 249, SURFACE COATING OF PLASTIC PARTS AND PRODUCTS**

On Thursday, August 8, 2013, at their regular meeting beginning at 2:30 PM, the Placer County Air Pollution Control District Board of Directors will hold a public hearing to receive comments and consider the adoption of a new Rule 249, Surface Coating of Plastic Parts and Products. The hearing is to be held at the Placer County Board of Supervisors Chambers, 175 Fulweiler Avenue, Auburn, California.

The District is required to adopt volatile organic compounds (VOCs) standards at least as stringent as contained in the U.S. EPA "Control Techniques Guidelines for Miscellaneous Metal and Plastic Parts Coatings" (CTG), September 2008. This rule meets that requirement for plastic parts.

All interested parties are advised of the opportunity to comment on the proposed amended rule. The proposed rule and its staff report can be viewed at the District's website at www.placer.ca.gov/apcd. Written comments should be addressed to John Finnell, 110 Maple Street, Auburn, CA 95603.
