 - a. Placer County Veterans Services Office Overview**

For those individuals who have so proudly served our nation, Placer County has an office where veterans, their dependents and survivors, can be assisted in obtaining entitlements from federal, state and local agencies administering veteran's programs. Some of the services consist of benefit counseling, claim preparation and assistance, initiate and develop appeals, disability compensation and much more. If you know a veteran who is interested in finding out more about what kind of benefits may be available, encourage them to attend. Presenter: Jonn Melrose, Placer County Veterans Services Officer

b. Septic System Regulation - AB 885 - California State Policy for Siting, Design, Operation and Maintenance of On-site Wastewater Treatment Systems

Do you live in the rural area of Placer County and utilize an on-site septic system? Then you'll want to attend this meeting to find out what the current status is of the State's policy on septic systems. AB 885 establishes a statewide, risk-based, tiered approach for the regulation and management of septic system installations and replacements and sets the level of performance and protection expected from septic systems. Placer County Environmental Health personnel will be present to give an update on the latest information and how it may affect you. Presenter: Wesley Nicks, Director Environmental Health, Public Health and Animal Services

9. MAC Member Reports & Correspondence
