Need a Ride or know someone who does? The Placer County Transportation Planning Agency (PCTPA), which serves as the Regional Transportation Planning Agency (RTPA) for Placer County invites your comments on unmet transit needs that may exist in Placer County. Each year, usually in October and November, PCTPA solicits testimony on needs which are not currently being met through the existing system of public transportation services, including those needs required to comply with the requirements of the Americans with Disabilities Act. This input is used to analyze funding for the following fiscal year. **Presenter: David Melko, Senior Transportation Planner, Placer County Transportation Planning Agency**
