Placer County Transportation Planning Agency (PCTPA) Unmet Transit Needs Study
PCTPA staff will provide an overview of a study that is underway aimed at determining the feasibility of expanding public transit service for rural Placer County. This feasibility study came about as a result of rural residents' concerns about limited transportation access to various services located in more urbanized Placer County. The PCTPA study will help determine whether there are "unmet transit needs" in rural communities and whether they are "reasonable to meet" and should be funded. PCTPA is seeking the MAC's input regarding expansion of public transit service for rural Placer County.
