**PLACER VINEYARDS PROPERTY #3 - PEIR - T20100328 - BOS1 - MAJ190**

**Status:** Comments on Notice of Preparation sent to consultant 7/13/11; Project being revised

**Lead:** ALEX FISCH

**Project Description:** The applicant is requesting approval of a Specific Plan Amendment within the Placer Vineyards Specific Plan to change the balance of existing land use designations on the project site (parcel number three) from 25 acres of Commercial, seven acres of High Density Residential and 26.5 acres of Medium Density Residential to allow for 46.2 acres of Power Center and 12.3 acres of High Density Residential. Amendment of the PVSP for the aforementioned land uses would allow for the future development potential of up to 704,365 square feet of retail/commercial uses. Those uses include, but are not limited to, home-improvement and large-scale gardening centers, large-scale discount centers, furniture stores, computer stores, household goods and groceries, auto sales and services, auto service stations, tire stores, large-scale clothing outlets, and other Power Center uses in accordance with the approved Placer Vineyards Specific Plan Land Use designations. The applicant anticipates the future development of the Power Center would include approximately 462,000 square feet of retail building with 2,310 parking spaces, including 412,000 square feet of big-box retail and 50,000 square feet of single-story shop buildings that will include dine-in restaurants, fast food restaurants, recreation and fitness centers, general retail stores, and other uses allowed in the Power Center land use designation. The revision from seven acres of High Density Residential and 26.5 acres of Medium Density Residential to 12.3 acres of High Density Residential is planned to allow for development of all 258 residential units allocated to this property as High Density Residential units. Residential units are currently approved as 105 High Density Residential units and 153 Medium Density Residential units. The remaining land use designations on the parcel of 26 acres of Open Space, four acres of Religious Site and eight acres of Roadways will remain unchanged. No development is proposed as a part of this Specific Plan Amendment and future entitlements to develop on the proposed site will be required to be reviewed to determine environmental impacts.

**Status:** Notice of Preparation public review ended 10/26/10; Project withdrawn from Placer County 3/13/13; to be processed and permitted by City of Lincoln

**Lead:** ALEX FISCH

**Project Description:** The project requests approval of a General Plan Amendment, Rezone, Conditional Use Permit, and Tentative Subdivision Map to develop a low-density residential subdivision consisting of 393 single-family residential lots in three villages on 248 acres of land. The project would include two gated entrances with all roads internally connected. The project includes 27 common lots for development of on-site private roadways, parks, open space lots, and landscaped corridors. The project includes 221 residential lots of approximately 0.25 acres each on 103.1 acres known as Village 1, which would be located in the southwesterly portion of the site. The proposed General Plan Land Use designation for Village 1 is Low Density Residential and the proposed zoning is Residential Single-Family combining Minimum Building Site of 10,000 square feet. The project also includes 172 residential lots of approximately 0.5 acres each on 144.6 acres known as Village 2 and Village 3, which would be located in the northerly and easterly portions of the site, respectively. The proposed General Plan Land Use designation for Village 2 and Village 3 is Low Density Residential and the proposed zoning is Residential Single-Family combining Minimum Building Site of 20,000 square feet. The project proposes three park sites totaling 2.5 acres, which would serve project residents. Park amenities include a proposed tot-lot, picnic facilities, and basketball courts/tennis courts. A small 0.3-acre neighborhood park with a tot-lot and picnicking facilities would be located at the northeast portion of the project near Auburn Ravine Creek, and would include approximately 12 off-street parking spaces. The other two parks would comprise 1.1 acres each and would include a tot-lot park and a neighborhood park site with basketball courts. Both parks include on-street parking.

### AUBURN CREEKSIDE CENTER - PEIR - T20050277 - BOS5 - MAJ98

**Status:** Additional information required from the applicant before 1st ADEIR can be prepared  
**Lead:** GERRY HAAS  
**Project Description:** Entitlements: Conditional Use Permit and Design Review. The project proposes developing a commercial retail center on a 13.2 acre property located east of SR 49, and immediately north of the Target store, in the North Auburn area. The development areas are situated on the east and west sides of a tributary to Rock Creek, which traverses the site from south to north. This area is approximately 9 acres in area; the remaining 4.2 acres that are associated with the stream and riparian corridor will be protected as open space. The development will be phased, ultimately consisting of approximately 93,000 square feet of new retail space and parking for 345 vehicles. The project proposes extending Education Street east, bridging the creek, and terminating at a new traffic circle at a new Quartz Drive extension.

**Status:** Planning Commission approved 12/20/12; Notice of Determination filed 12/21/12; Project being appealed to the Board of Supervisors

**Lead:** GERRY HAAS

**Project Description:** Placer County is proposing to construct a two-megawatt (MW) wood-to-energy biomass facility at the Eastern Regional Materials Recovery Facility (MRF) and Transfer Station that would use a gasification technology. The proposed project would be located on a 3.7-acre site in the southernmost area of property and entirely within APN 080-070-016. The site is located within the unincorporated portion of Placer County, California, approximately two miles south of Interstate 80 (I-80) at 900 Cabin Creek Road, 0.30 miles west of State Route (SR) 89. The proposed project would include construction of an approximately 11,000 square-foot, two-story structure that would house the power generating and emissions control equipment, two 400 square-foot pads to accommodate transformer and phase-shifting equipment, and an approximately one acre material storage area. The storage area would include a 7,000 square-foot open air pole canopy structure to allow materials drying before use in the energy generation process. Additional on-site improvements would include six to eight parking spaces, a paved vehicle circulation area that includes new driveways on Cabin Creek Road and the access road to Tahoe Area Regional Transit (TART) and County Department of Public Works facilities located on the site, an aggregate base haul road south of the material storage area, storm water treatment facilities (including an infiltration trench and detention basin), retaining walls, and utility improvements/extensions.

**Status:** EQ Application deemed complete 1/25/13; Mitigated Negative Declaration public review ends 4/15/13; Project entitlements due

**Lead:** JENNIFER BYOUS

**Project Description:** The applicant is requesting approval of a Minor Use Permit to allow for the construction of an 18-space public parking lot for vehicle parking; and a Variance for the reduction to the 40-foot setback from the edge of Rainbow Avenue to the first parking spaces to be a 20-foot setback and Site Design Review. The 18-space public parking lot will include one handicapped and three compact spaces with vehicle access along Rainbow Avenue. The parking lot will be constructed using pervious concrete for 16 spaces with the handicapped parking space, one adjacent compact space and the drive aisle being asphalt. Ultimately, a four foot sidewalk will connect the parking lot with Deer Street to the west and will continue to the property line to the east. These frontage improvements will be constructed as a result of the Kings Beach Commercial Core Project (KBCCIP) which will include the sidewalk, curb and gutter. In addition, on the east half of the parcel the Kings Beach Water Quality & Stream Environmental Zone Improvement Project will be constructing a drainage basin which is not part of this project. For the public parking lot, landscaping is proposed as a screen/buffer to Rainbow Avenue and adjacent properties. The site will be revegetated to establish native drought-tolerant vegetation. A 6-foot wooden fence will be added along the southern and western lot lines, adjacent to a multi-family residential area and the Carpenter's Union Building. The remaining perimeter fencing will be split rail consistent with other drainage basins constructed with the Kings Beach Water Quality & Stream Environmental Zone Improvement Project. Security lighting is proposed with the parking lot and will be used to illuminate the parking area and be directed downward to prevent spillover onto neighboring properties and streets. Lighting will be consistent with that which is proposed for the KBCCIP. Signage will include one public parking sign located near the entrance on Rainbow Avenue. Additional Caltrans directional signage will likely be located on SR 28 indicating the public parking lot. A handicap sign will depict the appropriate handicap space. Maintenance of the lot will be carried out by the Placer County. Trash will be picked up weekly by the Tahoe Truckee Sierra Disposal Company as part of their routine route. Operational hours for the parking lot will be 7 A.M. to 10 P.M. The intended use of the parking lot is to serve patrons of nearby shops, restaurants, and the beach. As Kings Beach transforms into a walkable commercial core with less highway parking, more off street parking will be needed for those wanting to park and walk/bike. In addition, a Tahoe Area Regional Transportation (TART) bus stop is located near the corner of the Deer Street/SR 28 intersection, one block from the proposed parking facility

## COUNTY-WIDE

### GENERAL PLAN TARGETED AMENDMENTS - PGPA - T20120356 -

**Status:** Negative Declaration public review ended 2/14/13; Planning Commission hearing scheduled for 4/11/13  
**Lead:** CHRIS SCHMIDT  
**Project Description:** Minor revisions and updates to the 1994 Placer County General Plan document.

### LANDSCAPE DESIGN GUIDELINES - PCPJ - T20120313 -

**Status:** Negative Declaration public review ended 12/28/12; Planning Commission hearing pending  
**Lead:** CHRIS SCHMIDT  
**Project Description:** The proposed Landscape Design Guidelines will apply to all new developments and substantial site alterations that require discretionary approvals. The Guidelines will establish design expectations for new development based on County goals, policies, and objectives.

### SIGN ZONING TEXT AMENDMENT - PCPJ - T20120070 -

**Status:** Negative Declaration public review ended 4/24/12; Planning Commission hearing to be scheduled  
**Lead:** GEORGE ROSASCO  
**Project Description:** This Zoning Text Amendment will create consistency between Placer County Zoning Ordinance Sections 17.54.170 D (2) and 17.54.170 F, as they relate to animated and illuminated signs. The amendment will also prohibit message board signs and signs with changeable copy, except for time and temperature signs, traditional Barber Pole signs, and the fuel price display components on service station signs. The above listed exceptions allowing time and temperature signs, traditional Barber Poles signs, and the fuel price display components on service station signs does not apply to properties zoned Design Sierra (DS). This amendment does not include any development proposal, and any future development would be subject to the provisions of CEQA and would require a separate environmental evaluation.
