PLACER VINEYARDS PROPERTY #3 - PEIR - T20100328 - BOS1 - MAJ190

Status: Comments on Notice of Preparation sent to consultant 7/13/11; Project being revised
Lead: ALEX FISCH
Project Description: The applicant is requesting approval of a Specific Plan Amendment within the Placer Vineyards Specific Plan to change the balance of existing land use designations on the project site (parcel number three) from 25 acres of Commercial, seven acres of High Density Residential and 26.5 acres of Medium Density Residential to allow for 46.2 acres of Power Center and 12.3 acres of High Density Residential. Amendment of the PVSP for the aforementioned land uses would allow for the future development potential of up to 704,365 square feet of retail/commercial uses. Those uses include, but are not limited to, home-improvement and large-scale gardening centers, large-scale discount centers, furniture stores, computer stores, household goods and groceries, auto sales and services, auto service stations, tire stores, large-scale clothing outlets, and other Power Center uses in accordance with the approved Placer Vineyards Specific Plan Land Use designations. The applicant anticipates the future development of the Power Center would include approximately 462,000 square feet of retail building with 2,310 parking spaces, including 412,000 square feet of big-box retail and 50,000 square feet of single-story shop buildings that will include dine-in restaurants, fast food restaurants, recreation and fitness centers, general retail stores, and other uses allowed in the Power Center land use designation. The revision from seven acres of High Density Residential and 26.5 acres of Medium Density Residential to 12.3 acres of High Density Residential is planned to allow for development of all 258 residential units allocated to this property as High Density Residential units. Residential units are currently approved as 105 High Density Residential units and 153 Medium Density Residential units. The remaining land use designations on the parcel of 26 acres of Open Space, four acres of Religious Site and eight acres of Roadways will remain unchanged. No development is proposed as a part of this Specific Plan Amendment and future entitlements to develop on the proposed site will be required to be reviewed to determine environmental impacts.
