SIGN ZONING TEXT AMENDMENT - PCPJ - T20120070 -

Status: Negative Declaration public review ended 4/24/12; Planning Commission hearing to be scheduled

Lead: GEORGE ROSASCO

Project Description: This Zoning Text Amendment will create consistency between Placer County Zoning Ordinance Sections 17.54.170 D (2) and 17.54.170 F, as they relate to animated and illuminated signs. The amendment will also prohibit message board signs and signs with changeable copy, except for time and temperature signs, traditional Barber Pole signs, and the fuel price display components on service station signs. The above listed exceptions allowing time and temperature signs, traditional Barber Poles signs, and the fuel price display components on service station signs does not apply to properties zoned Design Sierra (DS). This amendment does not include any development proposal, and any future development would be subject to the provisions of CEQA and would require a separate environmental evaluation.
