

SHERIDAN COMMUNITY PLAN MEETING

Wednesday January 15, 2014 ; 7:00 a.m. to 8:30 p.m.

Stewart Hall, 6005 Camp Far West Road

Building upon the community's vision of the future, a draft of a new Sheridan Community Plan has been completed and is available for review and comment. The Sheridan MAC Planning Team invites you to a workshop that will provide an overview of the planning process and draft Plan.

The Sheridan Community Plan has been a participatory planning initiative that seeks to develop a long-range, comprehensive plan for the Sheridan area. Community members and County staff have worked together to identify opportunities and constraints and craft long-term goals and policies to help realize the common vision.

The Community Plan area is proposed to expand to approximately the Sheridan Municipal Advisory Council boundaries. There are minimal land use changes recommended concurrent with the Draft Plan. When adopted by the County, the Plan will help shape new growth, enhance the quality of life, and bring new vitality to Sheridan.

The draft plan can be found online:
