

West Placer County Low Impact Development (LID) Public Outreach Meeting

Please join us as we provide an overview of the Low Impact Development manual process. Public comment on the process is being solicited at this meeting.

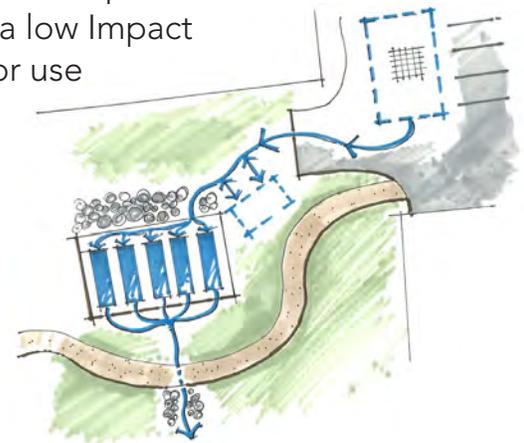

Tuesday December 9th, 2014

5:30 to 7:30 pm

Roseville Civic Center – Meeting Rooms 1&2
311 Vernon St. Roseville, CA 95678

Purpose of the Manual: The County of Placer and Cities of Auburn, Lincoln, Loomis, and Roseville have joined together to comply with MS-4 Phase II storm water permit requirements and to address objectives from the Placer County Conservation Plan (PCCP) and County Aquatic Resources Program (CARP). As part of this effort, the project proponents have assembled a Steering Committee to oversee development and implementation of a low Impact Development manual for use within Placer County. A Technical Advisory Committee has been developed to facilitate development and review of the manual.
