

# Help to **HIRE**

## *Placer County's Subsidized Wage Program*

### *Helping Our Community Get Back to Work!*

Placer County's *Help to* **HIRE** program is a subsidized wage reimbursement program. The program reimburses employers up to \$10,500 of the wages paid by public, private, or non-profit employers for hiring eligible Placer County CalWORKs participants.

The *Help to* **HIRE** wage reimbursement is available for up to 6 months. Free advertisement of current job openings available.

Coordinated by:  
Placer County Health & Human Services  
and the Business Advantage Network

### *Employer Testimonials*

"From the employer perspective, the process of recruiting, hiring and reimbursements was so easy. I would highly recommend this program to my peers and anyone seeking a motivated, qualified employee." BrightStar Care

"Working with Placer County has benefited our business. Their staff has saved us time, money and effort by providing qualified candidates." Borges Architectural Group, Inc
