Introduction

Due to the increasing population of older adults (60+ years of age) residing in Placer County, it was in the interest of both the County and the older adult community to designate a commission to be responsible for advising the Board of Supervisors on issues affecting the lives of older adults. Therefore, on May 25, 2004, the Placer County Board of Supervisors passed Resolution Number 2004-121 establishing the Older Adult Advisory Commission (OAAC) to serve as Placer County's Commission on Aging.

Duties of the Commission include submitting, to the Board of Supervisors, an Annual Report on the status of services for older adults. The Commissioners are pleased to submit this, the sixth OAAC annual report.

Overview of the OAAC

As per Commission Bylaws¹:

- Mission: The Placer County OAAC provides a voice for older adults in county government and advises the Placer County Board of Supervisors and the Department of Health and Human Services on matters relating to the creation and delivery of services that improve the quality of life for Placer County's older adults.
- Goal: It is the overall goal of the Commission to promote the well-being of and enhance the quality of life for older adults of Placer County.
- Responsibilities: The Commission serves in an advisory capacity to the County Board of Supervisors and the Department of Health and Human Services (HHS). The Commission reports through HHS. HHS provides staff support to the Commission; and provides relevant information (e.g., County budgets, plans for services for older adults, policies and programs, funding applications) required to fulfill the Commission's responsibilities and duties.
- <u>Duties</u>: Commission duties² fall into the general categories of advising, assisting, advocating, and making recommendations relative to the needs of Placer County's older adults.
- Membership: The Board of Supervisors appoints OAAC members³ that reside or work in Placer County; have an interest in issues affecting older adults; and, have the time and willingness to serve. <u>Activities and Accomplishments 2011/12</u>: During its eighth year, the OAAC has continued to be actively involved in various organizational, advocacy, legislative, educational and needs assessment activities.

<u>Organizational Activities</u>: The Commission's primary organizational goal was to maintain full membership. During 2011/12 this goal was not fully accomplished however, we have added several members this year, with fewer vacancies than in the past year. The membership during 2011/12 continued to include a diverse, experienced and committed group of Placer residents.

Advocacy Activities: OAAC members have continued to advocate for older adults through participation with a number of local organizations and committees, e.g., Best Step, Voter Accessibility Advisory Committee, transportation committees (PCPTA/CTSA) and Social Services Transportation Advisory Committee, Weimar-Applegate-Colfax Municipal Advisory Council, Senior Living Group, Roseville Senior Commission, Eskaton and Sun City Communities, Senior Peer Counseling, Area 4 Agency on Aging, AARP, California Senior Legislature, Older Adult Collaborative, and Seniors First.

<u>Legislative Activities</u>: The Commission's liaison to the California Senior Legislature continued to be involved in reviewing legislation impacting older adults and providing reports and recommendations to the full Commission.

<u>Educational Activities</u>: Commission members have increased their knowledge and understanding of older adult services and resources throughout the county. This was accomplished through hosting eleven guest speakers/presentations at our regular monthly meetings. (See Appendix C: Speakers)

Report on 2011/12 OAAC Goals: The 2011/12 goals were focused in three general areas, 1) the older adult needs assessment; and, 2) expanding the visibility of the Commission throughout Placer County, and having the Commission become more proactive at encouraging public input; and, 3) communication with the Board of Supervisors.

Needs Assessment Background

In July 2007 the Placer County Adult System of Care (ASOC) brought forth a request to do a current and thorough assessment of Placer County older adult's needs. ASOC felt that the OAAC would be better equipped to advise Health and Human Services (HHS) and the Board of Supervisors if the Commission had information that was timely, comprehensive and specific to Placer County.

The needs assessment was completed on April 16, 2008; and, the OAAC provided the Board of Supervisors with a high level presentation on the needs assessment results on August 5, 2008.

Older Adult Needs Assessment

Goal: Taking any additional community input/feedback into consideration, the OAAC will prioritize the needs and suggested strategies identified in the Needs Assessment Report and will explore current and future resources for implementation of the strategies.

Report: While this goal was discussed, no action was taken; continued work on this goal has been deferred until 2012/13. (See page 4, 2012/13 OAAC Goals)

Expanding OAAC Visibility and Encouraging Public Input

Goal: The OAAC will continue to explore ways to expand OAAC visibility and to encourage public input, such as:

- Being represented at community health fairs and senior events,
- Doing press releases and newspaper articles/stories, including a monthly article written by commissioners for local publication (e.g. Sun City News, Foresthill Messenger, Auburn Sentinel, Auburn Journal), and
- Exploration of ways to provide resources to Placer Seniors through the developing Resource Directory (Seniors First) and the county supported Network of Care

Report: During 2011/12, the OAAC distributed the OAAC brochure; continued writing and publishing monthly articles written by commissioners for local publication; the OAAC website has continued to be maintained by Commission staff; and, a representative from the Colfax Municipal Advisory Commission has begun regularly attending OAAC meetings.

Communication with the Board of Supervisors

Goal: Enhance/expand communication with the Board of Supervisors through activities such as:

- Reviewing all Board Agendas for items of interest to OAAC/older adults, and
- Developing a process/procedure for making recommendations to the Board of Supervisors.

Report: During 2011/12, Commission staff began reviewing all Board Agendas for items of interest to OAAC/older adults; and, began sending the Board of Supervisors 1) copies of monthly articles written by commissioners and published locally; and, 2) agendas, minutes and materials for OAAC monthly meetings. The Commission also enjoys the regular participation of Board staff to give information and current updates about changes in Placer County. In 2012/13, the commission will be inviting Board of Supervisors member(s) to address the commission.

2012/13 OAAC Goals

In 2012/13 OAAC goals will continue to be focused in three general areas, 1) continuing to assess and prioritize the needs of Placer's senior citizens; and, 2) expanding the visibility of the Commission throughout Placer County, continuing outreach to seniors 3) having the Commission become more proactive at encouraging public input; and, 4) continuing meaningful communication with the Board of Supervisors.

Older Adult Needs Assessments

- Taking any additional community input/feedback into consideration, the OAAC will prioritize the needs and suggested strategies identified in the Needs Assessment Report and will explore current and future resources for implementation of the strategies.
- Evaluating available data and doing analysis to more effectively discuss and set priorities for seniors

The OAAC will continue to explore ways to expand OAAC visibility and to encourage public input, such as:

- Hosting a Town Hall Forum for seniors, along with A4AA in July, 2012
- o Being represented at community health fairs and senior events,
- Doing press releases and newspaper articles/stories, including a monthly article written by Commissioners for several local publication, including the Sun City News, Foresthill Messenger, Auburn Sentinel, and Auburn Journal,
- Pursuing ways to improve senior access to resource information in Placer County

Communication with the Board of Supervisors

The OAAC will continue to enhance/expand communication with the Board of Supervisors through activities such as:

- Sending the Board of Supervisors copies of monthly articles written by commissioners and published locally,
- Sending the Board of Supervisors agendas, minutes and materials for OAAC monthly meetings,
- Inviting Board of Supervisors member(s) to address the commission,
- Reviewing all Board Agendas for items of interest to OAAC/older adults, and

Conclusion

Fiscal Year 2011/12 was an exciting year for the OAAC. New members have brought renewed energy and commitment to insure that the Commission continues to fulfill its mission to provide voice and advocacy for Placer County's senior residents. As can be seen by the goals set by the Commission, the OAAC plans on another busy and productive year in 2012/13.

Commission members agree that service on the OAAC has been an honor; and, the members look forward to continuing to advise the Board of Supervisors and the Department of Health and Human Services and to serving Placer County's older adults in 2012/13.
