

Agency on Aging | Area 4 invites **you**

- as an **OLDER ADULT**
 - as the *caregiver of an older adult*
 - as an **individual working with older adults**
 - as an *individual concerned with aging and community*
- to **share your experience** and your **concerns**

Our current needs assessment surveys seek input to influence how funding is spent to meet the priority needs of the 60+ population for the next several years.

Agency on Aging | Area 4 is one of 33 area agencies on aging (AAAs) in California charged with administration of the Older Americans Act (OAA) so that older Americans and their caregivers may continue living independently in their homes and communities.

At the time the OAA was signed, the US population of 65+ adults was just under 19 million individuals. Today, the 60+ population in California tops 7 million individuals. **In Placer County, there are approximately 86,493 60+ individuals.**

The Agency on Aging | Area 4 is a joint powers authority with non-profit status serving the Nevada, Placer, Sacramento, Sierra, Sutter, Yolo and Yuba counties region. Services are provided with federal Older Americans Act funding to older adults 60 and older.

As a joint powers authority, our Governing Board members are the County Supervisors in our 7 county service region along with their appointed representatives for aging concerns. This enables AAA4 to have direct input to County Supervisors to address gaps in services identified through our needs assessment surveys.

If you would like to influence how services are funded and developed, we urge you to participate in one or more of our surveys **today**. Give us your best responses and we will carry your message.

- COMPLETE the surveys online @ www.a4aa.com
- CALL 530.889.9500 or 800.878.9222
 - to schedule a phone survey interview or
 - for a location to pick up the Older Adult survey
