## How to Zip

- Zip Books is a California State Library supported project.
- If you are not finding the book or unabridged audiobook that you want, visit a library staff member. If staff member determines the library does not own your requested title, you may request a Zip Book.
- If the item is eligible for the Zip Books Program, the library will buy it from Amazon.com and have it shipped to your address at no charge to you. Receive it. Read it. Return it to us. Then place your next request!
- Zip Books requests are accepted In Person Only. Participants may have one Zip Book out at a time. Recommended due date is 90 days from receipt of the item.
- All Placer County Library members are eligible to participate provided fines/fees are below \$10.00.
- Shipping speed may vary, but is often 1-2 weeks or less.
- Participants agree to return the Zip Book to a staff member rather than deposit in the bookdrop. (You will be helping us differentiate it from a library donation.)
- Eligible formats are: Regular Print Books, Large Print Books, & Unabridged Audiobooks available from Amazon.com, New. Binding choice (paperback/hardback), cost & final purchasing decisions are at the Library's discretion. Titles above \$35.00 require prior approval. In some cases a traditional Interlibrary Loan may be offered instead of a Zip Book.

**This project is supported by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.**
