Monday, December 14th
1:00 pm– 4:00 pm
Auburn Library - 350 Nevada Street, Auburn

Literacy is the foundation of learning. It empowers adults to make a better life and world for themselves and their families. Literacy helps families be healthier, support themselves through work, become better citizens, and create a more fair and just society.

The Placer County Library Literacy Service provides people with the tools to change their lives by giving them the reading, writing, basic math, and computer skills they need to earn a living, stay healthy and improve our community. Volunteer today!

To register or for more information, contact Angela Perron
