COUNTY OF PLACER

PROBATION DEPARTMENT

COMMUNITY RESOURCE TEAM MEETING

Placer County Probation created a Community Resource Team (CRT) in response to the increasing demands of Parole Realignment and formal probation cases under our department's supervision. The CRT is led by the Placer County Probation Department in collaboration with Adult System of Care, Health and Human Services, Placer County law enforcement agencies and community providers. Many different organizations attending will focus on treatment, housing, education and life skills. Each provider has an opportunity to speak about the organization they are representing. Those attending the CRT meetings will then have the opportunity to speak directly to the providers; gaining insight to various programs designed to provide rehabilitative opportunities and services to our community. Our goal is to provide these individuals with information and skills to help bring about positive change in their lives and our community.

The following community partners participate in the CRT:
