7. Action Item(s): None

The RAC is composed of appointed community members whose purpose is to advise the Board of Supervisors about activities and problems of the area represented. Residents are encouraged to attend and talk about issues important to them. More info at www.placer.ca.gov/bos/mac. Placer County is committed to ensuring that persons with disabilities are provided the resources to participate fully in public meeting. If you require disability-related modifications or accommodations, including auxiliary aid or services, to attend or participate in this meeting, please contact the Board of Supervisor's Office.

8. Information Item(s):

A. Lower Secline Water Quality Improvement Project

Much needed stormwater improvements will be constructed this summer to help protect Lake Tahoe's water clarity. The Placer County DPW Lower Secline Water Quality project will pave about 650 feet of roadway on Secline Street and Brockway Vista Avenue in Kings Beach. The intent of the project is to pave the existing dirt roads, formalize parking areas, manage drainage, and install water quality improvements to reduce the quantity of sediment transport. This project will help prevent sediment from entering Lake Tahoe while also providing a better experience for residents and those recreating at the lake. Construction is set to begin on August 15, 2023 and complete by October 15, 2023.

Presenter: Rebecca Taber, Department of Public Works
