Diane Shinstock

**Attendees**  
1  
Diane Shinstock, Lisa Cataldo, Gregg Cirillo, Lorraine Taylor, Claire Buckley, Curtis Budge

**Items To Be Discussed**

1  
**Review FY 18/19 goals (below)**

**Discussion:**  Discussed developing broad goals with more specific objectives under each goal in order to remain compliant with the Brown Act yet allow flexibility to discuss various matters.

2  
**Development/Adoption of ASC goals for FY 19/20**

Handout with proposed goals shared. Group discussion ensued to determine the following goals/objectives/tasks, which were adopted:

**Goal #1:** Review and evaluate the community’s mental health needs, services, facilities, and special problems (WIC 5604.2 (a)(1)) as it pertains to adult clients. Under this goal, three objectives have been developed so far:

1) MHSA - Review and monitor Placer County’s MHSA program: what is possible, what is Placer currently doing, and what improvements can be made, if any. Specific focus will be on Community Services and Supports. Diane has developed a presentation and offered to present to MHADAB on MHSA/FSP/CSS. The following tasks were assigned as follows:
   a. Gregg – to meet with Jennifer Cook, CSOC MHSA coordinator, and determine what are most important aspects of MHSA for the committee to understand;
   b. Lisa – will inform the Executive Board that Diane is available to present to the full board at the August meeting.

2) AOT - Review and monitor Placer County’s implementation of Assisted Outpatient Treatment
   a. Curtis will obtain some statistics from Turning Point on utilization, how many referrals went to court, how many were Psychiatrically hospitalized
   b. Lisa  to review Kendra’s Law in New York and report back
   c. Lorraine will review Treatment and Advocacy Center for their report on California’s implementation statewide
   d. Diane will review Nevada County’s implementation practices and report back

3) Crisis Stabilization/Mobil Crisis - Review and evaluate crisis stabilization programs and practices in Placer County. (This title may change to distinguish the difference between in-patient crisis stabilization and community crisis response)
   a. Curtis will request information from Roseville Police Department regarding data they are willing to offer to demonstrate need for potential additional after-hours response. This had previously been done with no outcome but may be possible at this time.

**Goal #2:** Advise the governing body and local MH director as to any aspect of the local MH program as
it pertains to adults. (WIC 5604.2 (a)(3))

As information is gathered on the above referenced objectives, if it determined that there are opportunities for improving services for the adult population pertaining to these goals/objectives, recommendations will be included within the semi-annual and annual ASC reports provided to the Mental Health Alcohol and Other Drug Advisory Board for further dissemination.

3 Facilitation for October 2019 & May 2020
Discussion: Diane will not be in attendance for these two meetings. Lisa has agreed to facilitate. Diane will send reminder notifications prior to the meetings.

4 Next Meeting
a) Scheduled for August 14, 2019 (same location as listed above)

5 Summary/Adjournment
Discussion: Tasks/assignments from goals worksheet reviewed; meeting adjourned at: 7:00

If you are interested in attending a meeting, please contact Diane Shinstock at 916-412-4909 or Diane.shinstock@gmail.com.
