***PLEASE RETURN ONE SIGNED COPY***

## FILING INSTRUCTIONS - USE PERMITS

Use Permits (Minor or Conditional) shall only be approved subject to the findings as noted in Section 17.58.140(A) of the Zoning Ordinance. In conditionally approving a Use Permit, the granting authority shall adopt conditions of approval as necessary to accomplish the objectives as set forth in Section 17.58.140(B) of the Zoning Ordinance.

Complete an Initial Project Application, an Exemption Verification form and the Use Permit application (including Indemnification Agreement signature). Submit the applications and filing fee, along with the applicable number of maps (see "NOTE" below for information). Maps are to be drawn to an acceptable scale, no larger than 8½" x 11" (or **folded** to that size). **Site plans** shall contain the following information:

1. Boundary lines and dimensions of parcel(s);
2. Existing and proposed structures and their gross floor area in square feet, parking areas with spaces delineated, distance between structures and the distance from property lines;
3. The approximate area of the parcel, in square feet or acres;
4. Names, locations and widths of all existing traveled ways, including driveways, streets and right-of-ways on or adjacent to the property;
5. Approximate locations and widths of all proposed streets, right-of-ways, driveways and/or parking areas;
6. Approximate location and dimensions of all existing easements, well, leach lines, seepage pits or other underground structures;
7. Approximate location and dimensions of all proposed easements for utilities and drainage;
8. Approximate location of all creeks and drainage channels and a general indication of the slope of the land and all trees of significant size;
9. Accurately plot, label and show existing locations of the base and driplines of all protected trees (native trees 6" dbh or greater or multi-trunk trees 10" dbh or greater) within 50 feet of any development activity (i.e. proposed structures, driveways, cuts/fills, underground utilities, etc.) pursuant to Placer County Code, Chapter 12 (Tree Ordinance). NOTE: A tree survey prepared by an ISA certified arborist may be required. Verify with the Planning Division prior to submittal of this application;
10. Show all existing and proposed grading;
11. North arrow and scale of drawing;
12. **VICINITY MAP** showing the location of the subject property in relation to existing County roads and adjacent properties, sufficient to identify the property in the field to someone unfamiliar with the area. The distance to the closest intersection of County roads should be shown to the nearest 1/10<sup>th</sup> of a mile;
13. Assessor's parcel number(s);
14. Name(s) of the project property owner(s) and applicant.

**Where the proposed project includes the construction of a building(s), preliminary elevations should be provided in order to assist the staff and hearing body in reviewing the proposed project. (5 copies for Zoning Administrator items, and 15 for Planning Commission items.)**

**NOTE:** Items to be heard by the Zoning Administrator require **15 copies** of the site plan no larger than 8½ x 11 or **FOLDED** to that size. Items to be heard by the Planning Commission require a total of **30 copies** of the site plan, **15** normal blue print size **FOLDED** to 8½ x 11, and **15 REDUCED** to 8½ x 11. (See Planning Division for applicable hearing body).

**APPEALS** - An appeal must be filed within 10 calendar days of the decision that is the subject of the appeal. An appeal application shall be submitted, along with the current filing fee, to the Planning Division. The appeal shall include any explanatory materials the appellant may wish to furnish. The Planning Commission or Board of Supervisors will be the hearing body that will consider the appeal (based on the type of Use Permit involved).

Prior to the commencement of any grading and/or construction activities on the property in question, that are based upon the entitlements conferred by Placer County permit approval(s), the applicant should consult with the California Department of Fish and Game (DFG) to determine whether or not a Streambed Alteration Agreement [§1603, CA Fish and Game Code] is required. The applicant should also consult with the U.S. Army Corps of Engineers to determine whether or not a permit is required for these activities pursuant to Section 404 of the Clean Water Act. **The applicant's signature on this application form signifies an acknowledgement that this statement has been read and understood.**
