

County Funds Overview

Placer County's FY 2016-17 Proposed Budget was developed based upon the policy considerations outlined in this section and included in the County Executive Officer's Budget Message.

COUNTY OPERATING FUNDS

Government budgets, or appropriations¹, are legal limits on how much a department can spend and may not be exceeded unless additional funding is authorized through Board of Supervisor approved budget revisions. In practice, appropriations are the authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes, and are limited to one year. Placer County's 90 appropriations are listed in the Index on page 435. Critical components of a government fund are financing requirements (financing uses and provision for reserves²), which are offset by available financing (financing sources, cancelled reserves and fund balance³ carryover). When total financing requirements equal total available financing, the budget is balanced.

Placer County has 13 operating and two capital and infrastructure funds (Figure 1) that make up the FY 2016-17 Proposed Budget.⁴ The funds are consistent with the County's organizational and operational structure and differ from how they are reported on the Comprehensive Annual Financial Report (CAFR). The *Public Safety Fund*, *Gold Country Tourism and Promotion Fund*, *Tahoe Tourism and Promotion Fund*, and the *Open Space Fund* are combined into the *General Fund* on the CAFR for reporting purposes per standard accounting practice. The infrastructure funds are reported separately in the CAFR. Further detail about the basis of budgeting and annual reporting can be found under the Budget Process on page 41.

FY 2016-17 PROPOSED BUDGET

Placer County's FY 2016-17 Proposed Budget is recommended at \$782,431,749, representing a decrease of \$34.3 million or -4.2% compared to the FY 2015-16 Final Budget.

- Funding for the FY 2016-17 Operating Budget includes:
 - \$416.6 million in General Fund revenues
 - \$332.1 million in other fund revenues
 - \$4.1 million in reserve cancellations
 - \$29.5 million in fund balance carryover (all operating funds):
 - \$11.0 million General Fund
 - \$14.5 million Public Safety Fund
 - \$1.3 million DMV Special Collections Fund
 - \$921,363 Lake Tahoe Tourism & Promotions Fund
 - \$1.8 million among other operating funds

Fund balance is carefully estimated throughout the budget process and plays an important role as a planned, budgeted resource. In the County's multi-year budget approach, ongoing reliance on carryover fund balance as a primary budgetary source is reduced. The Proposed Budget contains \$152.2 million in Capital and Road Infrastructure Funds, a decrease of \$31.7 million or 17.2% compared to FY 2015-16. Capital and Road Infrastructure Funds are dedicated to capital construction and maintenance of county buildings and infrastructure to ensure public access to services, road and bridge infrastructure, storm maintenance, and snow removal; and are supported by \$150.7 million in revenues, \$1 million in reserves, and \$485,760 in fund balance.

¹ Appropriations are the spending authority to incur expenditures or obligations for specific purposes.

² Reserves are a set-aside amount of funds designated for specific future uses and easily liquidated when needed to meet expenditure requirements, emergency situations, or a series of planned financial events.

³ Fund Balance is the amount of assets and revenues that remain at the end of a fiscal year after offsetting all expenditures.

⁴ Proprietary funds, county service areas, and Board governed special districts are not included in the County Operating Budget, and are addressed separately.

County Funds Overview

As indicated in Figure 1 below, the Proposed Budget is \$34.3 million lower than in FY 2015-16, a decrease of 4.2%. This decrease is comprised of several components, including a decrease (2.2%) of \$9.8 million in the *General Fund*; an increase (5.4%) of \$8.8 million in the *Public Safety Fund*; a \$31.7 million decrease (17.2%) in the *Public Ways and Facilities Fund and Capital Projects Fund combined*; and other operating fund adjustments (all discussed below).

County Workforce

As a service driven provider, salary and benefit costs remain the largest expenditure category in the county budget, representing \$315.2 million (40.3%) of the \$782.4 million budget. The FY 2016-17 Proposed Budget includes 2,645 funded positions, an increase of 63 over FY 2015-16. This net increase is primarily in the Public Protection System, and Administration and Financial System due to the phased opening of the remaining beds at the South Placer Adult Correctional Facility, and the re-organization and expanded workloads related to business analytics, and an increase in the financial support required for continued land development activities, and other staff support.

THE GENERAL FUND

The **General Fund** is the largest countywide fund and is a Major Governmental fund. It underwrites most countywide operations either directly as the “net county cost”⁵ of *General Fund* budgets, or indirectly through

⁵ Net county cost is the portion of an appropriation that is funded from general-purpose revenue or available fund balance; total appropriation costs less direct fees, grants or reimbursements.

County Funds Overview

contributions to other funds. The *General Fund* supports the operations of most county funds through direct contributions, which may include required state “maintenance of effort” payments for certain programs. The *General Fund* includes appropriations for general government, finance, planning and building inspection, facilities, and health and human services. The *General Fund* makes contributions to other funds for public safety services, fire protection services, capital construction, road maintenance and construction, library services, and debt service.

The *General Fund* includes the following departments:

- Administrative Services
- Agricultural Commissioner
- Assessor
- Auditor - Controller
- Child Support Services
- Community Development Resource Agency
- County Clerk-Recorder
- County Counsel
- County Executive Office
- Farm Advisor
- Health and Human Services
- Human Resources
- Public Works and Facilities
- Treasurer – Tax Collector
- Veterans Services

General Fund allocated positions in the Proposed Budget have decreased when compared to FY 2015-16 Final Budget, from 1,544 to 1,481 mostly due to the Building Maintenance appropriation moving from the *General Fund* to a new Internal Service Fund. Funded *General Fund* positions total 1,340, a decrease of 15 (-1.1%) from the FY 2015-16 Final Budget.

Figure 2 below displays the *General Fund* budget for FY 2015-16 compared to FY 2016-17.

Figure 2. General Fund Financing Uses and Reserves

Financing Requirements	Final Budget FY 2015-16	Proposed Budget FY 2016-17	\$ Change FY 2015-16 to FY 2016-17	% Change
Financing Uses	\$ 424,539,401	\$ 427,650,254	\$ 3,110,853	0.7%
Provisions to Reserves	12,875,724	-	\$ (12,875,724)	-100.0%
Total Financing Requirements:	\$ 437,415,125	\$ 427,650,254	\$ (9,764,871)	-2.2%

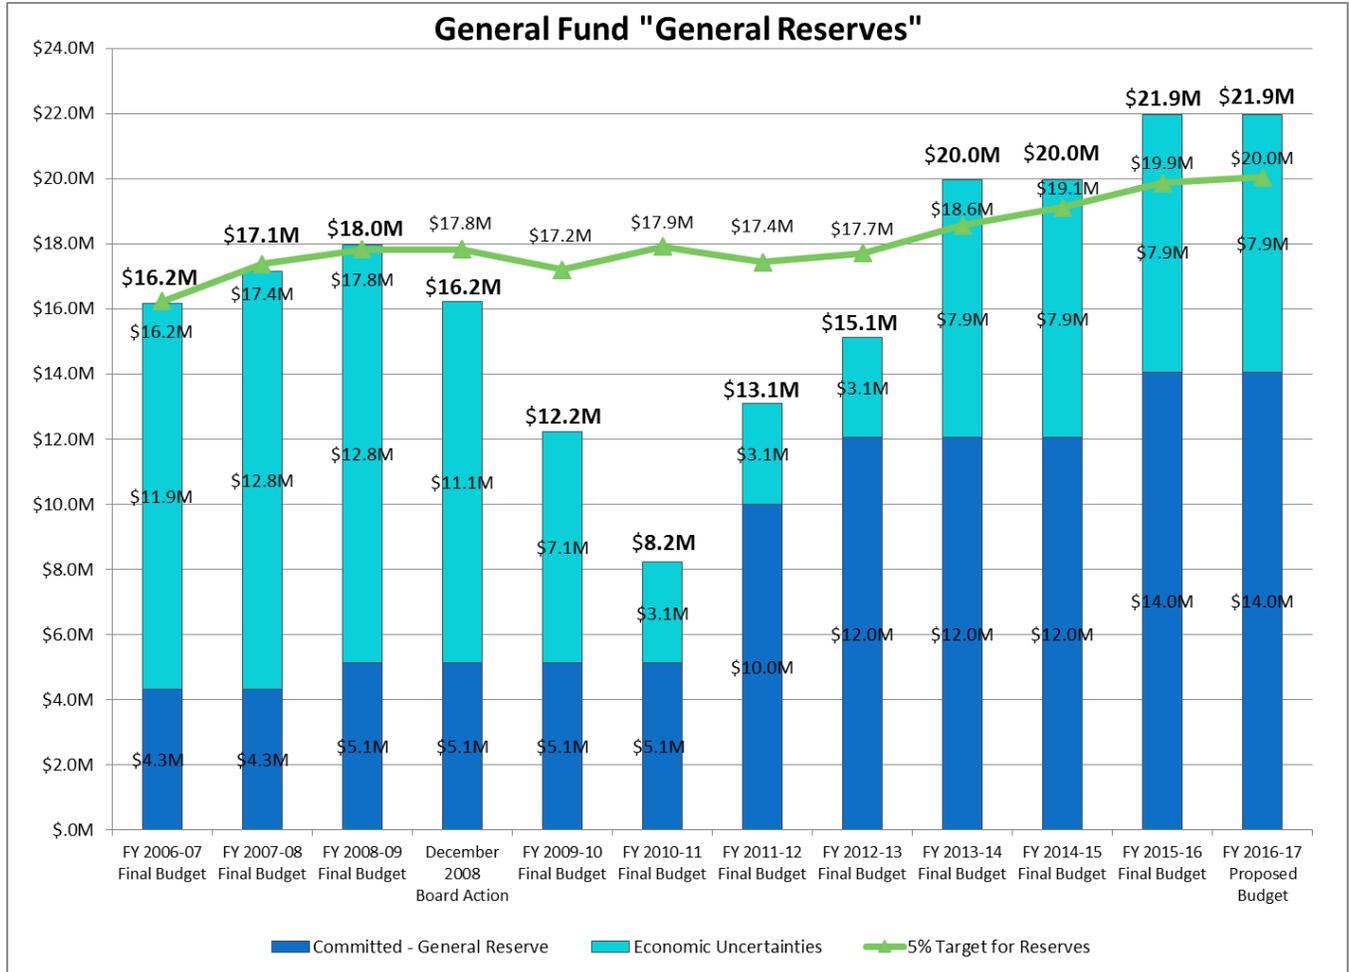

The FY 2016-17 *General Fund* operating budget (total financing uses and provisions to reserves) is recommended at \$427.7 million, a decrease of \$9.8 million or 2.2% from the FY 2015-16 Final Budget. The decrease is mostly attributed to a reduction of \$8.8 million in the discretionary contribution to facilities and infrastructure appropriation, the building maintenance appropriation of \$1.1 million no longer being in the General Fund, the delayed “true-up” of the discretionary contribution to the Public Safety Fund, and no provisions made to reserves, such as for unfunded health care and pension liabilities. Property Tax, the County’s largest discretionary revenue source, continues to increase due to the recovery in property values in the wake of the recently experienced recession. Targeted revenue sources continue to improve, primarily in the Health and Human Services Department, reflecting State program expansions that increase County service responsibilities. The *General Fund* also includes a higher level of discretionary revenues including Property Tax and Sales Tax to support Board prioritized services. *General Fund* financing requirements maintain essential services and programs and reflect prioritizing discretionary revenue to cover a majority of base budget cost increases for *General Fund* departments. This approach, coupled with the goal to decrease annual carryover fund balance attributable to vacant funded positions by integrating salary savings into departmental base budgets, works to maintain a sustainable budgetary model consistent with the multi-year budget framework.

Use of Reserves and Contingencies

County Funds Overview

Maintenance of adequate levels of reserves has been part of the County’s fiscal planning process for many years. Continued implementation of the Budget and Financial Policy has enabled Placer County to set aside resources for difficult budget years, and has provided a solid foundation for County revenues. Although reserves were used for several years to mitigate impacts of the recently experienced “Great Recession,” the County has since achieved the 5% General / Economic Contingency Reserve minimum target in accordance with Budget and Financial Policy. General Reserve levels are noted below:

Figure 3 – General Fund “General Reserves”

The recommended *General Fund* contingency funding set-aside for unanticipated expenditures or revenue shortfalls is 1.5% of *General Fund* operating costs, or \$6.3 million for FY 2016-17. These funds may be used for operating costs and / or unanticipated revenue decreases.

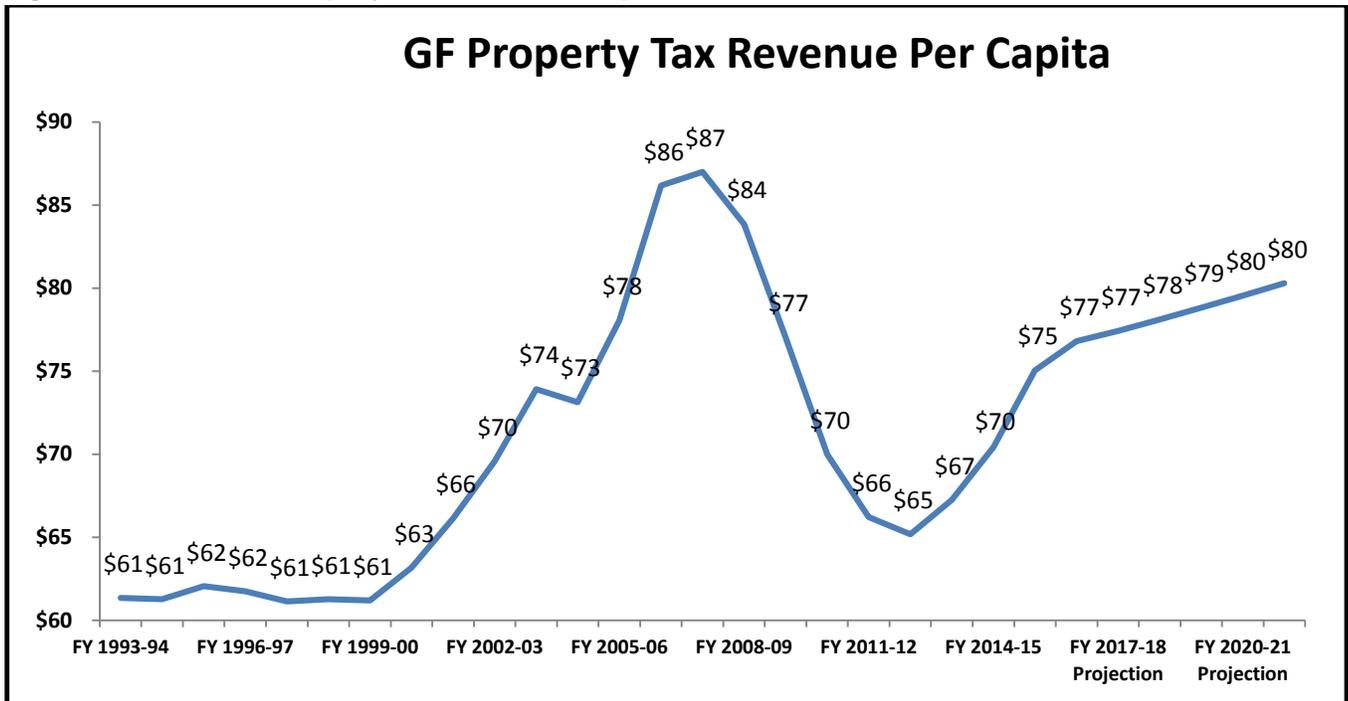

Revenue Estimates

FY 2016-17 budgeted *General Fund* revenues have increased by approximately \$17.0 million overall when compared to amounts budgeted for FY 2015-16, attributable to the continuing economic recovery. FY 2016-17 budgeted revenues include increases for property taxes (\$7.7 million); intergovernmental and subvention revenues (\$8.9 million); sales tax (\$2.4 million); and Redevelopment Property Tax Trust Fund (RPTTF) residual distributions and pass-throughs (\$537k).

County Funds Overview

Collections of property tax represent the largest single source of discretionary revenue available in the *General Fund*. Adjusting for county population and inflation, the per capita amount of property tax collected is anticipated to be at levels experienced in FY 2005-06, as shown in Figure 4 below (note: amounts are adjusted for inflation). Real property assessed valuations have recovered to peak levels experienced just before the onset of the “Great Recession” and are expected to grow modestly at a rate of approximately 2.0% - 2.5% consistent with Proposition 13 valuation growth limits and recovery of property valuation adjustments.

Figure 4 – General Fund Property Tax Revenue Per Capita

PUBLIC SAFETY FUND

The **Public Safety Fund** is a Major Governmental Fund⁶ made up of four departments: Sheriff, District Attorney, Probation and the County Executive Office. The FY 2016-17 *Public Safety Fund* operating budget is recommended at \$172.7 million, an increase of \$9.5 million or 5.8% over FY 2015-16. Revenue estimates for public safety are \$155.0 million, \$1.1 million or 0.7% higher than FY 2015-16. Included in these estimates are the following major revenues:

- \$85.3 million in *General Fund* contribution. The discretionary *General Fund* share supporting public safety has been maintained at the FY 2015-16 Final Budget level. The discretionary *General Fund* contribution to the Public Safety Fund will be “trued-up” to balance the fund consistent with resulting carryover fund balance and approved program expenditures to be considered with the FY 2016-17 Final Budget.
- \$39.9 million in public safety sales tax (Proposition 172 funding), an increase of \$782,960 or 2.0% above FY 2015-16 reflecting a higher trend in receipts.
- \$6.5 million in Public Safety Realignment (AB 109) funding, an increase of \$233,244 or 3.7% above FY 2015-16, reflecting an increase in statewide funding allocation.
- \$3.1 million in Public Safety Fund reserves support the cost of Sheriff’s Office automation projects including the Jail Management System and the Records Management System.

⁶ These Major Governmental funds are combined with the General Fund for CAFR purposes.

County Funds Overview

The Proposed Budget includes \$2.3 million in ongoing expenditures to implement the county's Criminal Justice Master Plan to open a booking station as part of the phased operational expansion at the South Placer Adult Correctional Facility. The *Public Safety Fund* is balanced with \$14.5 million in estimated fund balance carryover (includes amounts to be funded by increased discretionary General Fund contribution at Final Budget) from FY 2015-16.

PUBLIC WAYS AND FACILITIES FUND

The *Public Ways and Facilities Fund*, commonly referred to as the *Road Fund*, is a Major Governmental fund⁷ maintained by the Department of Public Works and Facilities. This fund provides the budgetary resources for road engineering and maintenance services in the area of design, construction and contract administration for both the County and private land development projects. The activities of the fund also maintain, protect, and improve approximately 1,046.1 miles of roads, and include road-related storm maintenance, and snow removal. The net budget of \$67.1 million represents a decrease of \$24.5 million as compared to the FY 2015-16 Final Budget. This difference is mostly attributed to a decrease for the nearing completion of the Kings Beach Commercial Core Improvement Project, but also reflects the net changes of various road, bridge, and water quality projects. The General Fund Contribution is \$3.8 million to pay the cost of operations for road resurfacing and overlay projects. The *Public Ways and Facilities Fund* is a major component of the Multi-Year Capital Plan, which will be published during the Final Budget process later this year.

CAPITAL PROJECTS FUND

The *Capital Projects Fund* is a Major Governmental fund⁷ maintained by the Department of Public Works and Facilities and provides resources for the planning, improvement, major maintenance, and construction of county buildings, sewer and solid waste systems, parks, and trails. Project priority is determined by a series of criteria, including immediate and future needs. The criteria for prioritizing projects is based on economic development and return on investment, mitigation of health and safety needs, improvement of departmental operations, or maintenance of existing infrastructure. The *Capital Projects Fund* is a major component of the Multi-Year Capital Plan, which will be presented with the Final Budget later this year. In addition, many of the County's major construction projects will take shape as the update to the Capital Facilities Financing Plan (CFFP) returns to the Board of Supervisors in July or August 2016. The Capital Projects Fund will provide the budgetary source for the update of CFFP individual project expenditures and revenues each fiscal year.

The FY 2016-17 *Capital Projects Fund* budget is recommended at \$85.1 million, a decrease of \$7.2 million from FY 2015-16 Final Budget. The net decrease is mostly attributed to spending down the budget for the multi-year Mid-Western Regional Sewer project; however, many project budgets are also adjusted. The General Fund Contribution to capital projects provides a budgetary resource for capital and major maintenance projects and the FY 2016-17 recommended base level is held at \$4.5 million. In addition to the General Fund Contribution, funding sources include

the *Public Safety Fund*, Health and Human Services, *Solid Waste Fund* reserves, and Park Dedication Fees. The funding sources offset costs for facilities in which employees deliver mandated service programs, sewer and solid waste projects, parks, and trails.

OTHER COUNTY OPERATING FUNDS

The Proposed Budget includes 13 operating and two capital and infrastructure funds, the largest of which have been summarized above. Other County operating funds include the *Housing Authority Fund*; the *Community Revitalization Fund*; the *Low and Moderate Income Housing Asset Fund*, the *Special Aviation Fund*; the *DMV Special Collections Fund*; the *Fish and Game Fund*; the *Lake Tahoe Tourism and Promotion Fund*; the *Open Space Fund*; the *Library Fund*; the *Fire Control Fund*; and the *Debt Service Fund*. While none of these funds is as large as those previously discussed, each fund was established to keep its assets, liabilities, and revenue and expenditures separate, usually for legal or programmatic reasons.

The ***Housing Authority Fund*** is a Non-Major Governmental – Special Revenue fund managed by the Health and Human Services Department, used to account for the Section 8 housing program. Funding provides direct and contracted social services to low income and high-risk target populations (including program effectiveness evaluation). The recommended financing requirements are \$2.5 million.

The ***Community Revitalization Fund*** is a Non-Major Governmental – Special Revenue fund managed by the Community Development and Resources Agency (CDRA), and consists of expenditures made on behalf of several federal and local programs. These programs were previously managed by the Redevelopment Agency but were shifted to CDRA in FY 2012-13 due to the dissolution of Redevelopment Agencies under AB1X 26. These programs include the Community Development Block Grant (CDBG) General Allocation, the Economic Development Block Grant (EDBG), the HOME Investment Partnership Program, the CalHome Program, and the Neighborhood Stabilization Program (NSP). These programs primarily benefit low-income persons through housing and public improvements, housing rehabilitation, and reduction of blighted conditions. The recommended Proposed Budget includes only those projects with approved grant revenue or other in-hand sources. The recommended Proposed Budget for this fund is \$350,200, or \$305,800 less than FY 2015-16.

The ***Low and Moderate Income Housing Asset Fund*** is a Major Governmental fund⁸ managed by the Community Development and Resources Agency (CDRA), and provides for management of loans made under the former Redevelopment Agency, prior to its dissolution under AB1X 26. Funding for loans and administration come from the Redevelopment Property Tax Trust Fund (RPTTF). The recommended Proposed Budget for this fund is \$843,922 or \$692,301 more than FY 2015-16.

The ***Special Aviation Fund*** is a Non-Major Governmental – Special Revenue fund and supports the Blue Canyon Airport via federal funding by providing for capital improvements, equipment maintenance and administrative support. The Public Works Department manages this fund and the recommended financing requirements are \$27,500, funded by a state grant (\$10,000) and reserves (\$17,500).

The ***DMV Special Collections Fund*** is a Non-Major Governmental – Special Revenue fund managed by the Sheriff's Department, supports the Fingerprint Identification and Auto Theft Task Force activities. Revenues are generated through the collection of Department Of Motor Vehicles (DMV) Licensing Fees assessed for vehicles registered in Placer County. FY 2016-17 financing requirements of \$2.0 million are supported by revenue (\$778,202) and by carryover fund balance (\$1.3 million). The recommended Proposed Budget for this fund is \$14,287 less than FY 2015-16.

⁸ These Major Governmental funds are combined with the General Fund for CAFR purposes.

County Funds Overview

The **Fish and Game Fund** is a Non-Major – Special Revenue fund managed by the Agricultural Commissioner, is used to support wildlife and fish propagation and conservation efforts. Revenues from fish and game violations have declined in prior years. This results in a *General Fund* contribution of \$5,000 in FY 2016-17 which will balance the approximately \$10,679 in financing requirements with \$10,200 in revenues and \$479 in Fish and Game fund balance carryover.

The **Lake Tahoe Tourism and Promotion Fund** is a Major Governmental fund⁸ managed by the County Executive Office and receives 60% of the hotel-motel or transient occupancy taxes (TOT) in the unincorporated areas of the County that are east of the summit. In June 2012, Measure F, the North Lake Tahoe Transient Occupancy Tax Area Initiative, was voter approved to extend the additional 2% TOT in the Lake Tahoe area until September 30, 2022. Tahoe area promotional activities that encourage tourism are funded from the TOT taxes under a contract with the North Lake Tahoe Resort Association. In 1995, the Board of Supervisors approved the formation of the North Lake Tahoe Resort Association and appointed a Board of Directors, comprised of representatives from various North Lake Tahoe tourism related industries to recommend and oversee funding for the Tahoe community. Resort Association activities include marketing and promotions, visitor services, public improvements and infrastructure projects. Recommended required financing of \$8.5 million is supported by estimated revenue (\$7.5 million) and carryover fund balance (\$921,363). The recommended Proposed Budget for this fund is \$90,099 less than FY 2015-16.

The **Open Space Fund** is a Major Governmental fund⁸ managed by the County Executive Office and is used to account for contributions and the acquisition of open space in the County under the Placer Legacy program. The Placer Legacy program conserves the County's diversity of landscapes and natural resources. It supports the County's economic viability, provides enhancement of property values and furthers the natural resource goals of the Placer County General Plan. Recommended funding requirements of \$420,080 are supported by developer fees, a United Auburn Indian Community contribution, and other revenue. The recommended Proposed Budget for this fund is \$1.1 million less than FY 2015-16.

The **Library Fund** is Non-Major Governmental – Special Revenue fund managed by the Library Department and provides public library services that support the educational, recreational and cultural endeavors of citizens within the community. The County Library System serves all of Placer County except for the cities of Roseville and Lincoln, which have their own library systems. The challenge continues for the County Library System to provide modern services to a growing population within the limited revenues and reserves of the Library Fund. Dedicated Library property taxes are 70% of total operating revenues. Although they increase \$242,557 (5.3%) over the FY 2015-16 Final Budget, cost increases are projected to outpace this dedicated revenue source into the foreseeable future. The Library has taken actions to reduce operating costs, and the County continues to study the appropriate balance of sustainable services to available revenues. The General Fund has historically provided direct contributions for salary and benefit support of the County Librarian (\$221,520) and funding support for centralized county services that are not charged directly (A-87). With the FY 2016-17 Proposed Budget, the General Fund contribution is increased \$275,000 above this base level in order to fully fund A-87 costs, and partly reverse the erosion in library materials. FY 2016-17 recommended financing requirements of \$6.8 million are supported by \$6.4 million of revenue and General Fund support, and \$420,370 in carryover fund balance.

The **Fire Control Fund** is a Non-Major Governmental – Special Revenue fund managed by the County Executive Office and provides fire protection services through a contract with the California Department of Forestry and Fire Protection (CalFIRE) and provides hazardous material response (HAZMAT) capability. Recommended financing requirements of \$4.3 million are supported by \$3.7 million in estimated revenue, and \$620,028 in carryover fund balance. In FY 2016-17 the fund will continue to receive a contribution for fire services from the *General Fund* of just under \$1.1 million. Other financing sources include dedicated property tax, public safety sales tax and other miscellaneous revenue. The recommended operating budget for this fund is \$390,873 higher than FY 2015-16 due to increases in the CalFIRE contract.

County Funds Overview

The **Debt Service Fund** is a Non-Major Governmental – Debt Service fund and housed within the Auditor-Controller's budget. This fund accounts for principal, interest and fees on County debt service issued for certificates of participation (COP). The County's current COPs finance the juvenile hall, the Finance and Administration Center at the Placer County Government Center and the Bill Santucci Justice Center. The General Fund contributes the net cost of the County's annual debt service to this fund, less reimbursements paid by other funds and revenue received. The budget is balanced with \$4.1 million in estimated revenue. The recommended Proposed Budget for this fund is \$10,951 less than FY 2015-16.

The **Gold Country Advertising and Promotions Fund** has been dissolved and merged into the General Fund appropriation for Economic Development to eliminate redundancy in capturing revenues separately from their designated expenditures for eastern slope Transient Occupancy Tax and the associated contract.

INTERNAL SERVICE FUNDS

Placer County operates 15 internal service funds that are primarily used to provide services to other county departments. County departments are charged for services they receive. One new internal service fund, *Building Maintenance*, is established for functions that were previously maintained in the General Fund. Internal service funds are not intended to make a cumulative profit, nor should they indefinitely sustain operating losses. The internal service funds range in size of financing requirements from \$349,330 to \$16.3 million compared to \$614,669 to \$17.4 million in the prior year. Additions to internal service fund reserves in the Proposed Budget total \$881,463.

Placer County internal services funds are:

- Building Maintenance
- Central Services
- Correctional Food Services
- Countywide Radio Project
- Countywide Systems
- Dental and Vision Insurance
- Employee Benefits
- Fleet Operations
- General Liability Insurance
- Information Technology
- Placer County Government Center Campus
- Special District Services
- State Unemployment
- Telecommunication Services
- Workers Compensation Insurance

Internal service fund charges to county departments for services received result in duplicative budgetary figures; these funds are classified separately from the operating budget as Proprietary – Internal Service funds.

ENTERPRISE FUNDS

Placer County will operate and manage the following enterprise funds in FY 2016-17:

- Eastern Regional Landfill
- Kings Beach Center
- Placer County Transit
- Placer mPOWER Fund
- Solid Waste Management
- Tahoe Area Regional Transit (TART)

Enterprise funds typically provide utility, property management, and health services to the public and charge for the services provided. Enterprise funds are not required to recover full costs, but should remain solvent. These funds are classified as Proprietary – Enterprise funds. New this year, the Kings Beach Center fund provides for the operation, maintenance and disposition costs associated with the Kings Beach Center properties, which were

County Funds Overview

transferred by the Placer County Successor Agency to the County. Placer County enterprise funds range in size of financing requirements from \$301,000 to \$10.3 million. The total amount of financing uses and reserve additions for the enterprise funds for FY 2016-17 is \$25.9 million, a decrease of \$12.9 million from FY 2015-16.
